The Supreme Court and the Fourth Amendment's Exclusionary Rule Tracey Maclin, 2013 The application of the Fourth Amendment's exclusionary rule has divided the justices of the Supreme Court for nearly a century This book traces the rise and fall of the exclusionary rule with insight and behind the scenes access into the Court's thinking

Corporations Are People Too Kent Greenfield, 2018-01-01 Why we're better off treating corporations as people under the law and making them behave like citizens Are corporations people The U.S. Supreme Court launched a heated debate when it ruled in *Citizens United* that corporations can claim the same free speech rights as humans Should they be able to claim rights of free speech religious conscience and due process Kent Greenfield provides an answer Sometimes With an analysis sure to challenge the assumptions of both progressives and conservatives Greenfield explores corporations' claims to constitutional rights and the foundational conflicts about their obligations in society and concludes that a blanket opposition to corporate personhood is misguided since it is consistent with both the purpose of corporations and the Constitution itself that corporations can claim rights at least some of the time The problem with *Citizens United* is not that corporations have a right to speak but for whom they speak The solution is not to end corporate personhood but to require corporations to act more like citizens
