Janet Smith, Ph.D.

Searching For And Maintaining Peace A Small Treatise On Peace Of Heart:

Searching for and Maintaining Peace Jacques Philippe, 2002 We live in a day and age characterized by an extraordinary amount of agitation and lack of peace This tendency manifests itself in our spiritual as well as our secular life In our search for God and holiness in our service to our neighbor a kind of restlessness and anxiety take the place of the confidence and peace which ought to be ours What must we do to overcome the moments of fear and distress which assail us all too often in our lives How can we learn to place all our confidence in God and abandon ourselves into his loving care This is what is taught in this simple yet profound little treatise on peace of heart Taking concrete examples from our everyday life the author invites us to respond in a Gospel fashion to the upsetting situations we must all confront Since peace of heart is a pure gift of God it is something we should seek pursue and ask him for without cease This book is here to help us in that pursuit

Interior Freedom Jacques Philippe, 2017-03-29 Interior Freedom leads one to discover that even in the most unfavorable outward circumstances we possess within ourselves a space of freedom that nobody can take away because God is its source and guarantee Without this discovery we will always be restricted in some way and will never taste true happiness Author Jacques Philippe develops a simple but important theme we gain possession of our interior freedom in exact proportion to our growth in faith hope and love He explains that the dynamism between these three theological virtues is the heart of the spiritual life and he underlines the key role of the virtue of hope in our inner growth Written in a simple and inviting style Interior Freedom seeks to liberate the heart and mind to live the true freedom to which God calls each one

Moments of Grace and Spiritual Warfare in the Lord of the Rings Anne Marie Gazzolo, 2012-10 In J R R Tolkien s desire to create a mythology for his homeland he actually made one for every person every land and every age The Lord of the Rings is a catechism of spiritual warfare cleverly disguised as a fantasy The struggle against evil that takes place inside its pages is the same one that occurs even now within the soul of each person As we cannot leave the field of battle until death takes us from it we should learn as much as we can about how to

fight from those who have labored before us Certainly the Red Book of Westmarch is one source to use We may not have to sacrifice ourselves as does Gandalf but we can learn from him and his wise counsels and from the others who he taught Frodo guides us as well as he makes his torturous journey to Mount Doom and endures the Ring s unceasing temptations With him we see that sometimes we overcome our temptations and at other times they overwhelm us We also learn as he and Boromir do to get back up and start the struggle anew Sam shows us the height of hope and the depth of devotion In fact everyone in the tale good as well as evil has something to teach us Anne Marie Gazzolo hopes that you will find inspiration within to apply to your life Called by God: Discernment and Preparation for Religious Life Rachael Marie

Collins,2017-08-01 In Called by God Discernment and Preparation for Religious Life Rachael Marie Collins provides an overview of the spiritual life both its joys and its challenges and guides women as they discern whether they are called to be religious sisters or nuns In a series of letters written by the author to a trusted friend discerning whether to enter religious life Called by God explores both discernment and spirituality The key to discernment Collins argues is to prepare for religious life by entering deeply into a life of prayer and sacrifice so that one experiences and begins to understand the work of a religious before entering the convent Called by God draws heavily on the wisdom of great Catholic women such as Teresa of Avila Thérèse of Lisieux Zélie Martin Edith Stein Teresa of the Andes Elizabeth of the Trinity Miriam Teresa Demjanovich Elizabeth Leseur and Caryll Houselander among others Women discerning a vocation will benefit immensely from the discussions about the difference between religious life and marriage the nature of a vocation the supernatural superiority of religious life and spiritual motherhood in Called by God **Surviving Catholic Ministry** Brad Bursa,2025-07-25 Nobody

enters Catholic ministry aiming to become jaded Yet it happens all the time Ministers often grow calloused and abandon ship It does not have to be this way In Surviving Catholic Ministry Brad Bursa combines his deep experience in the ministry field with insights drawn from Tradition to provide readers a practical escape from burnout This book challenges ministry leaders to reorder every aspect of their lives and to do so from the inside out Renewal from the inside out begins by reclaiming baptismal identity From this core one can enter more deeply into the interior life which overflows into primary vocation then ministry Those who follow this course will not only survive Catholic ministry but thrive in it **Spiritual Survival in the**
