Searching For The Postmark:

Searching for the Postmark Jeff Donovan, 2003 Can one place help two people come to terms with the past and can a series of long distance letters provide the basis for a future Reaching out into Lake Michigan the slender peninsula of Door County Wisconsin is a place of idyllic beauty and rustic charm of sailboats and sunsets dormant cherry orchards and dry docked wooden fishing boats It is a place Brian Bailey loves and tries to escape to But the quaint tourist towns quiet back roads and weathered gray barns offer little respite from his memories Memories never known bring Colleen O Connell from Arizona to The Door in search of the places her brother held dear Hoping to find remembrance in a place she s never been she finds instead an old farmhouse perched atop a hill The story of two people brought together by the very distance that separates them Searching for the Postmark asks difficult and uniquely human questions about what it means to live love and die and how the fellowship of family helps us find meaning in the fleeting nature of our existence From the remembrance and longing of autumn to the excitement and hope of spring Brian and Colleen s journey through the seasons tells a story of holding on and letting go of memories kept and created of letters sent and unsent A beautifully descriptive and deeply introspective testament to the power of people and place Searching for the Postmark is a summer read that will stay with you into fall and winter What I hope to have written writes author Jeff Donovan is a book that in addition to telling a nice story will also give the reader pause to think and reflect on the death of a loved one and on that from which we draw meaning in our lives A thought provoking love story about accepting the loss of a loved one Searching for the Postmark will appeal to anyone who finds special meaning in the dream of Door County and have meaning for anyone who has lost a special loved one
