Memento In Poetry Trinidad D. Lukban, 2012-08-20 Trinidad D Lukban was born on February 6 1925 in Dipolog Zamboanga del Sur to Col Amando M Dumlao Ret PA and Clara David RN She was a nursing student when she married and finished her Bachelor of Arts Major in Psychology at the University of the Philippines when she already had five children She went on to graduate from the Philippine Women's University with a Master of Arts in Child Psychology and from the University of Santo Tomas with a Certificate in Interior Design both when she had seven children She was married to Dr Vicente J Lukban and they were blessed with eight children Vicente Enrique Trinidad Agustin Augustus Gersam David and Robert The family fondly remembers her as an accomplished cook and competent homemaker She was the embodiment of the perfect wife to her husband and devoted mother to her children This Memento in Poetry is a compilation of poems which she wrote in the latter

part of her life Some of them she wrote while briefly residing in the United States of America while most of them were written during her years in Daet Camarines Norte This book is a tribute to our mother Trinidad and to our father Vicente for the unconditional love and care they gave to us their children Boyette Henry Inday Chot Wei Chucky Bitit Dinggoy

Common Sea-shells of California Josiah Keep,1881 **Possible Worlds in Humanities, Arts and Sciences** Allén Sture,2010-11-22 No detailed description available for Possible Worlds in Humanities Arts and Sciences The Empty Seashell Nils Bubandt,2015-05-06 The Empty Seashell explores what it is like to live in a world where cannibal witches are undeniably real yet too ephemeral and contradictory to be an object of belief In a book based on more than three years of fieldwork between 1991 and 2011 Nils Bubandt argues that cannibal witches for people in the coastal and predominantly Christian community of Buli in the Indonesian province of North Maluku are both corporeally real and fundamentally unknowable Witches known as gua in the Buli language or as suanggi in regional Malay appear to be ordinary humans but sometimes especially at night they take other forms and attack people in order to kill them and eat their livers They are seemingly everywhere and nowhere at the same time The reality of gua therefore can never be pinned down The title of the book comes from the empty nautilus shells that regularly drift ashore around Buli village Convention has it that if you find a live nautilus you are a gua Like the empty shells witchcraft always seems to recede from experience Bubandt begins the book by recounting his own confusion and frustration in coming to terms with the contradictory and inaccessible nature of witchcraft realities in Buli A detailed ethnography of the encompassing inaccessibility of Buli witchcraft leads him to the conclusion that much of the anthropological literature which views witchcraft as a system of beliefs with genuine explanatory power is off the mark Witchcraft for the Buli people doesn t explain anything In fact it does the opposite it confuses obfuscates and frustrates Drawing upon Jacques Derrida s concept of aporia an interminable experience that remains continuously in doubt Bubandt suggests the need to take seriously people s experiential and epistemological doubts about witchcraft and outlines by extension a novel way of thinking about witchcraft and its relation to modernity
