Sect Ideologies And Social Status:

Sect Ideologies and Social Status Gary Schwartz,1970

The Idea of Social Structure Lewis A. Coser,2017-07-12

Written and compiled by friends and former students The Idea of Social Structure honors Robert K Merton considered one of the premier sociologists of the twentieth century Along with Talcott Parsons and Marion J Levy Merton was emphatic in his use of the term social structure however different they were in defining and refining the term The chapters in this volume address many of Merton s diverse sociological theories and in turn his theories impact upon a very large sociological territory The volume includes major statements on the context of working with Merton by Lewis A Coser Paul F Lazarsfeld Robert A Nisbet and Seymour Martin Lipset as well as memorable statements covering Merton s interests in the sociology of knowledge and science planning communities medical education relative deprivation everyday life political roles and communication media This is a powerful sourcebook for understanding the work of Merton and of his intellectual successors Nisbet called the decade of the 1930s among the most vital and creative periods in American history It was certainly a period of intense struggle political military and ideological But the formation of modern sociology was without question one of the crowning achievements in the scientific evolution of the century The volume is sharply focused on Merton s work and deeply appreciative of the nature of his contribution It is a landmark effort in the study of sociology as history

Dictionary of Ethics, Theology and Society Paul A. B. Clarke,Andrew Linzey,2013-11-05 This Dictionary provides a unique and groundbreaking survey of both the historical and contemporary interrelations between ethics theology and society In over 250 separately authored entries a selection of the world s leading scholars from many disciplines and many denominations present their own views on a wide range of topics Arranged alphabetically entries cover all aspects of philosophy theology ethics economics politics and government Each entry includes a concise definition of the term a description of the principal ideas behind it analysis of its history development and contemporary relevance a detailed bibliography giving the major sources in the field The entire field is prefaced by an editorial introduction outlining its scope and diversity Selected entries include Animal Rights Capital Punishment Communism Domestic Violence Ethics Evil Government Homophobia Humanism Liberation Theology Politics Pornography Racism Sexism Society Vivisection Women s Ordination

The Flourishing of Jewish Sects in the Maccabean Era: An Interpretation Albert I. Baumgartner,2021-12-06 This volume asks why Jewish groups Sadducees Pharisees Essenes and the Dead Sea Scroll sect flourished during the Maccabean era It argues that such a result is uncommon requiring special explanation In the introduction sectarianism is defined and its varieties in Second Temple Judaism assessed Among the causes of the known results suggested are the encounter with an outside culture that seemed to be weakening the external national perimeter the impact of expanded literacy the move to the city from the farm as well as eschatological hope aroused by Maccabean victory In proposing these conclusions full advantage is taken of recently published Qumran sources such as 4QMMT The objective is to discover the connection between context and

consequence which will explain why sectarianism was so prominent at that time **Sociologie Et Religions** Liliane Voyé, Jaak Billiet, 1999 What are the relations between sociology and the different religions Christianity with its various branches Judaism Islam Oriental religions sects and New Religious Movements That is the question which this work conceived on the occasion of the XXVth Conference of the International Society for the Sociology of Religion Soci t Internationale de Sociologie des Religions SISR wishes to clarify The book retraces the varied and troubled history of these relations and also reveals how in opening up its research to other religions besides the Christian sociology is forced to redefine the very object of its field of study What is the religious This question which until recently was considered impertinent informs this book throughout If confronts the necessity of rethinking theories and methodological approaches which constructed in the context of 19th and early 20th century Western Europe prove to be rather inadequate for encompassing contemporary religious phenomena and religious manifestations in other contexts To these new theoretical and methodological demands is added for the sociologist a deontological imperative which takes on all the more importance today as the religious provokes passionate social debate Routledge Library Editions: Sociology of Religion Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class **Research in the Social Scientific Study of Religion, Volume 6** , 2021-11-15 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research **Divine Hierarchies** Sean McCloud, 2009-01-05 Placing the neglected issue of class back into the study and understanding of religion Sean McCloud reconsiders the meaning of class in today s world More than a status grounded in material conditions says McCloud class is also an identity rhetorically and symbolically made and unmade through representations It entails relationships identifications boundaries meanings power and our most ingrained habits of mind and body He demonstrates that employing class as an analytical tool that cuts across variables such as creed race ethnicity and gender can illuminate American religious life in unprecedented ways Through social theory historical analysis and ethnography McCloud makes an interdisciplinary argument for reinserting class into the study of religion First

he offers a new three part conception of class for use in studying religion He then presents a focused cultural history of religious studies by examining how social class surfaced in twentieth century theories of religious affiliation He concludes with historical and ethnographic case studies of religion and class Divine Hierarchies makes a convincing case for the past and present importance of class in American religious thought practice and scholarship *Ethnic Leadership in a New England Community* Alex Huxley Westfried, **The Sociology of Religion** Malcolm B. Hamilton, 2002-06-01 The Sociology of Religion is a comprehensive and wide ranging introduction to theoretical debates in the sociology of religion placing these theories in the context of specific religious beliefs and practices Using examples as diverse as primitive religions Buddhism millennial movements the Protestant Ethic secularisation cults and the new religious movements Malcolm Hamilton demonstrates the multiplicity of religious traditions and enables readers to place their own experiences in a wider context He draws on both historical and anthropological perspectives in his examination of religious practices and outlines the work of major sociological theorists including Marx Durkheim Malinowski and other Functionalists Frazer and Weber in the examination of world religion bringing these theories up to date The significance of each theoretical perspective is illustrated by chapters on particular beliefs and practices **Christian Religion in the Soviet Union** Christel Lane, 1978-06-30 Christel Lane has written the first sociological study of religion in a communist and militantly atheist society Christian Religion in the Soviet Union is the result of a detailed examination of Soviet sociological sources and the legally and illegally published reports of religious bodies or individuals backed up by the observations of the author and of other Western visitors to the USSR Dr Lane attempts to assess the impact of the intellectual and material culture of Soviet society on Christian religion She analyses the religious life in the contemporary Christian churches and sects describing the scope of their membership and its social composition the religious commitment of believers and their social and political orientations Christian Religion in the Soviet Union will be central reading for students of religion in modern industrial society who are working within the disciplines of sociology comparative religion or theology It will also appeal to those studying Soviet society from a more general sociological perspective and to a wide readership interested in the contest between Christian religion and Marxist Leninist ideology *Beyond Conformity Or Rebellion* Gary Schwartz, 1987-07-06 Abstract In this new study of high school aged youth in the early 70 s the author reveals subtle yet significant changes in the style of deviance in adolescent culture The argument is made that a new peer group pluralism emerged from the 60 s which is characterized by a deviance defined less by persistent violations of the law than by disengagement from traditional images of success and civic responsibility This work is based on an ethnographic study of six communities located in a midwestern agricultural and industrial state This study will be of interest to individuals involved in the fields of adolescence education delinquency and deviance community life and the texture of life and values among high school youth **The Psychology of Religious Behaviour, Belief and Experience** Benjamin Beit-Hallahmi, Michael Argyle, 2014-03-18 Because society is increasingly

secular it may seem irrelevant to consider the psychology of religion But the diversity of our multi ethnic and multi cultural society in fact makes religion more important to the social sciences than it has ever been before What are the social consequences of religion Every day the news is full of events that can be blamed on religion perpetrated by a range of groups from whole societies to individuals Beit Hallami and Argyle are renowned for their clear analytical approach to topics and this new state of the art study of psychology and religion is no exception It will be welcomed as an update to their previous work in the area by social psychologists sociologists and theologians worldwide

Prophecy & Apocalypticism Stephen L. Cook,1995 Did Israelite Jewish apocalyptic literature originate among alienated or disenfranchised groups In this overview of apocalypticism in the Hebrew Bible Stephen Cook contends that such thinking and writing stems from priestly groups that held power

Sex, Gender, and the Politics of ERA Donald G. Mathews,Jane S. De Hart,1992-04-30 Sex Gender and the Politics of ERA is the most profound and sensitive discussion to date of the way in which women responded to feminism Drawing on extensive research and interviews Mathews and De Hart explore the fate of the ERA in North Carolina one of the three states targeted by both sides as essential to ratification to reveal the dynamics that stunned supporters across America The authors insightfully link public discourse and private feelings placing arguments used throughout the nation in the personal contexts of women who pleaded their cases for and against equality Beginning with a study of woman suffrage the book shows how issues of sex gender race and power remained potent weapons on the ERA battlefield The ideas of such vocal opponents as Phyllis Schlafly and Senator Sam Ervin set the perfect stage for mothers to confess their terror at the violation of their daughters in a post ERA world while the prospect of losing ratification to this terror impelled supporters to shed the white gloves of genteel lobbying for the combat boots of political in fighting In the end the efforts of ERA supporters could neither outweigh the symbolic actions of its opponents nor weaken the resistance of those same legislators to further federal guarantees of equality Ultimately opponents succeeded in making equality for women seem dangerous In thus explaining the ERA controversy the authors brilliantly illuminate the many meanings of feminism for the American people

Christianity the Japanese Way Caldarola,2023-07-31 Communal Road to a Secular Kerala George Mathew,1989

Pentecostalism in Colombia Cornelia Butler Flora,1976 This sociological study details the nature of the Pentecostal movement in Colombia the comparative patterning of precedent conditions in a regional system and among individuals the comparative internal structure of the movement and its reflection in the membership and the consequences of the movement s emergence and survival on municipios and individuals Experiencing Fieldwork William Shaffir,Robert A. Stebbins,1991 How do you gain entry into a research setting What tricks are there to learning the rules of the community without alienating the people you came to study How are good relations maintained with informants What happens after you leave the field In Experiencing Fieldwork top ethnographers address these and other questions bring fieldwork alive for the reader and provide invaluable advice for those entering the field Media, Culture, and the Religious Right Linda Kintz,Julia

Lesage, 1998 As the religious right has increased in both power and visibility there has been a commensurate growth in the prominence of Christian media The contributors to this book provide a broad overview of the organizations history and media influences of the Christian right

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sect Ideologies And Social Status full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sect Ideologies And Social Status eBooks, including some popular titles.

FAQs About Sect Ideologies And Social Status Books

What is a Sect Ideologies And Social Status PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sect Ideologies And Social Status PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sect Ideologies And Social Status PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sect Ideologies And Social Status PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sect Ideologies And Social Status PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
