Seeds of Faith Lois Hathaway Vlad,2016-06-01 Have you ever struggled with your faith in God Do you feel like you are sinking into waves of discouragement over your situation If you have faith as small as a mustard seed nothing is impossible for you We are called to live by faith not sight Yet trials come and it feels like He has abandoned you when He delays in answering prayer Fear and doubt may try to overcome you but faith must be tried to be true God is bigger than anything you come up against but you must stand on His promises in His Word You cannot fail if only you dare to believe put your hope in God and keep your eyes ever focused on Jesus alone If you wish to know God you must know his Word If you wish to perceive His power you must see how He works by his Word If you wish to know His purpose before it comes to pass you can only discover it by His Word C H Spurgeon Seeds of Faith Melanie Gleabes,2019-01-13 Seeds of Faith is a book of part of my life journeys of walking by Faith and not by sight 2 Corinthians 5 7 This scripture was a literal walk for me even to add where the scriptures tell us in James 1 3 4 knowing this that the trying of your faith worketh patience But let patience have her perfect work that ye may be perfect and entire wanting nothing These brief stories are real my faith has been tried in more ways than one and I m grateful for the journey As you read each page allow your spirit to be open to receive what God desires to do in your life in increasing your faith My prayer is that every reader of this book receives a supernatural impartation in their faith and that you will see God move in ways you have never experienced before that you may operate in a dimension of the supernatural by using your faith to move the mountains that are in your life and that you will no longer move in doubt or fear but trusting only in the Lord thy God Declare daily I walk by Faith and not by sight Allow this book to be a Seed of Faith planted in you

C. Steven Melester,2022-01-12 On a mission trip to Haiti in 2014 one of my many tasks was to distribute to local farmers some very special watermelon seeds I was inspired and moved by the great desire and appreciation these subsistence Haitian farmers had for this meager allotment of seeds These seeds were life These seeds were hope These seeds would bring food to their families stability to their personal economy meaning and purpose to their

toil And you better believe that they had prepared their soil They had plowed the way for the seed to take root and be fruitful How does the parable of the sower seed and soil from Matthew 13 speak to us today God is the sower of all good seed but partners with us to help farm for the kingdom I submit that the sowers of God s word could include those who share the word of God with humility and gratitude They give witness to God s love and the truth of Jesus Christ with compassion reason confidence and courage They scatter seeds of the gospel and also help cultivate the soil that is our souls They are not perfect but are genuine They are those family members friends colleagues strangers ancestors and fellow brothers and sisters in Christ who have had a serendipitous part to play in our spiritual formation I pray that Watermelon Seeds in some modest way will perhaps enlighten a deeper understanding appreciation and recognition for all those seed scatterers that come into our lives
