

SEEING ARABS THROUGH AN AMERICAN SCHOOL

A BEIRUT MEMOIR, 1998-2001

ROBERT F. OBER, JR.

Seeing Arabs Through An American School

Orit Bashkin

Seeing Arabs Through An American School:

Seeing Arabs Through an American School Robert F. Ober Jr., 2003-09-12 The author encountered the Arab worlds full complexity while heading the largest American independent school abroad International College Beirut Lebanon The College serves 3500 Arab students preschool through high school Its nonsectarian program accommodates Muslim Druze and Christian families The author worked to strengthen the schools American attributes in an atmosphere beclouded by Israeli air attacks Hezbollah's resistance Syria's occupation and allegations of CIA involvement Indigenous ways of management that had become entrenched during wartime as well as board governance from afar added complications Despite everything the school is a model that deserves replication elsewhere in the Middle East especially after September 11 A reviewer in Connecticut observes As our national attention focuses more and more closely on that deeply troubled region Mr Obers experiences as president of a large private school take on increased relevance Collectively his descriptions develop a complete picture of an ancient and proud culture that is only glimpsed in other parts of the world amid dramatic news copy and images of violence Litchfield County Times November 21 2003 **Tchaikovsky 19, A Diplomatic Life Behind the Iron Curtain** Robert F. Ober, 2009 Readers will discover the failures of Kissinger's policy of detente in the early 1970s the mistaken departure from Carter's balanced policy toward China and the USSR and the near collapse of the embassy due to intelligence failures Foreign Service Journal Ober's book recounts it all along with the personalities and events of the time now mostly forgotten dissidents and refuseniks Victor and Jennifer Louis Nina and Ed Stevens U S Soviet summits microwaves bugged buildings and typewriters fires spy dust and spy mania It's all there the pageant of U S Embassy Moscow 1970-90 a place so unlike today's walled air conditioned high rise embassy fortress a block away as to beggar the imagination Richard Gilbert AmericanDiplomacy.org You have wonderfully captured the way things were in the Soviet Union in the 1970s and 80s I don't know anyone who has done it better Donald Connery former Time Life correspondent Moscow Together with much wisdom about American diplomacy this rich memoir provides keen insight into Russian thinking and behavior George Feifer The Girl from Petrovka **The Muslim Veil in North America** Sajida Sultana Alvi, Homa Hoodfar, Sheila McDonough, 2003-02-06 The issue of veiling has been remarkably under researched and over ideologized In recent years the adoption of the veil has come to symbolize a brave expression of choice women reaching out to tradition but hoping it will not jeopardize their place in the larger North American society It is with this in mind that the Canadian Council of Muslim Women CCMW invited scholars in the fields of anthropology history sociology and Islamic studies to carry out a systematic study of issues surrounding different practices of the hijab among Muslim communities This book is the result of that study **Gibran, Rihani & Naimy** Aida Imangulieva, 2010-04-01 Originally published in Russian during the final years of the Soviet Union this volume examines the influences of foreign literary movements specifically Romanticism and Realism on the three authors examined within By viewing Gibran and Rihani's works in the light of English poets such as Wordsworth

Byron and Shelley and American writers such as Emerson and Whitman and by exploring Naimy through the lens of the Russian Realist tradition drawing parallels specifically with the work of Belinsky Tolstoy Turgenev and the Chekhovian tradition this work provides an unusual window into the Arab world's cultural interaction with Europe America and Russia in the early 20th century At the same time it reaches beyond its academic scope and reveals universal elements that speak to all people and go beyond cultural frameworks altogether *Zionism and Cosmopolitanism* Dekel Peretz, 2022-01-19 Die Reihe Europäische Studien repräsentiert die international vernetzte Kompetenz des Moses Mendelssohn Zentrums für europäische Studien MMZ Der interdisziplinäre Charakter der Reihe die in Kooperation mit dem Selma Stern Zentrum für Jüdische Studien Berlin Brandenburg herausgegeben wird zielt insbesondere auf geschichtswissenschaftliche und kulturwissenschaftliche Ansätze sowie auf intellektuelle politische literarische und religiöse Grundfragen die jüdisches Leben und Denken in der Vergangenheit beeinflusst haben und noch heute inspirieren Mit ihren Publikationen weicht das MMZ der über 250jährigen Tradition der von Moses Mendelssohn begründeten Jüdischen Aufklärung und der Wissenschaft des Judentums verpflichtet In den BEITRAGEN werden exzellente Monographien und Sammelbände zum gesamten Themenspektrum jüdischer Studien veröffentlicht Die Reihe ist peer reviewed **Arab Detroit 9/11** Nabeel Abraham, Sally Howell, Andrew Shryock, 2011-09-01 Readers interested in Arab studies Detroit culture and history transnational politics and the changing dynamics of race and ethnicity in America will enjoy the personal reflection and analytical insight of Arab Detroit 9/11 Teaching Arabic as a Heritage Language Rasha ElHawari, 2020-10-04 Teaching Arabic as a Heritage Language is a practical guide to Arabic pedagogy for Heritage Learners of Arabic Exploring the teaching of Arabic as a foreign language TAFL in North America and Europe it covers sociocultural topics such as diglossia and religion alongside theoretical approaches to Heritage Language Learning It also provides a new and detailed definition of the heritage language learner HLL of Arabic The role of the professor and the material are explored to ensure a successful learning experience The latest advances in HLL are considered together with the recent and recommended changes in classroom practice giving rise to the recognition of the individual needs of heritage learners This is an indispensable resource for instructors researchers and students in the fields of TAFL and TASOL as well as linguists interested in Arabic language learning and teaching *United States Through Arab Eyes* Nabil Matar, 2018-09-26 A vibrant collection of writings about America from its earliest Arab immigrants as they reflected on and described the United States for the very first time **Nadia, Captive of Hope: Memoir of an Arab Woman** Fay Afaf Kanafani, 2016-07-01 A rare feminist perspective on a people and a culture in one of the most tumultuous regions in the world Nadia Captive of Hope is the autobiography of Fay Afaf Kanafani an Arab Muslim woman born in Beirut in 1918 *The Other Iraq* Orit Bashkin, 2008-11-20 The Other Iraq challenges the notion that Iraq has always been a totalitarian artificial state torn by sectarian violence Chronicling the rise of the Iraqi public sphere from 1921 to 1958 this enlightening work reveals that the Iraqi intellectual field was always more democratic and pluralistic than

historians have tended to believe Orit Bashkin demonstrates how Sunni Shi'i and Kurdish intellectuals effectively created hyphenated Iraqi identities connoting pride in their individual heritages while simultaneously appropriating and integrating ideas and narratives of Arab and Iraqi nationalism Illustrating three developmental stages of Iraqi intellectual history she follows Iraqi intellectuals changing roles from agents of democracy to specialists who analyze the population to deeply entrenched members of society committed to change Based on previously unexplored material this eye opening work has significant contemporary implications

Right here, we have countless books **Seeing Arabs Through An American School** and collections to check out. We additionally have the funds for variant types and with type of the books to browse. The pleasing book, fiction, history, novel, scientific research, as competently as various new sorts of books are readily nearby here.
