Seek Out The Guilty:

Call the Mothers Shaylih Muehlmann, 2024-08-06 A gripping portrait of the relentless women taking missing persons kidnapping and extortion cases into their own hands and building a movement for one another In this riveting exploration of the lives of mothers whose children are among the 100 000 disappeared in Mexico s war on drugs Shaylih Muehlmann shows how families have mobilized on the ground to get answers and justice It is often mothers who confront government corruption indifference and incompetence by taking on the responsibilities of searching for missing persons and dealing with kidnapping and extortion cases In bringing the voices of these women to the fore Muehlmann demonstrates how the war on drugs affects everyday life in Mexico and how these activists have become detectives forensic specialists and even negotiators with drug traffickers *Call the Mothers* provides a unique look at a grassroots movement that draws from the symbolic power of motherhood to build a network of collectives that redefine traditional gender roles and challenge injustice and impunity California. Supreme Court. Records and Briefs California (State)., Number of Exhibits 1_x000D_ Court of Appeal Case s B033165 The Uncontrollability of the World Hartmut Rosa, 2020-10-06 The driving cultural force of that form of life we call modern is the desire to make the world controllable Yet it is only in encountering the uncontrollable that we really experience the world only then do we feel touched moved and alive A world that is fully known in which everything has been planned and mastered would be a dead world Our lives are played out on the border between what we can control and that which lies outside our control But because we late modern human beings seek to make the world controllable we tend to encounter the world as a series of objects that we have to conquer master or exploit And precisely because of this life the experience of feeling alive and truly encountering the world always seems to elude us This in turn leads to frustration anger and even despair which then manifest themselves in among other things acts of impotent political aggression For Rosa to encounter the world and achieve resonance with it requires us to be open to that which extends beyond our control The outcome of this process cannot be predicted and this is why moments of resonance are always concomitant with moments of uncontrollability This short book the sequel to Rosa s path breaking work on social acceleration and resonance will be of great interest students and scholars in sociology and the social sciences and to anyone concerned with the nature of modern social life California. Third Thousand Years W. Cleon Skousen,1964-01-01 From the days of Father Abraham to the rise of King David were ten turbulent centuries filled with pathos and drama These were the times of many notable personalities from the Old Testament This is the epoch of the famous patriarchs Abraham Isaac and Jacob Their exemplary lives as they stood true and faithful in the midst of adversity are especially poignant today They were followed by the exciting and tumultuous life of Joseph who rose to become prime minister of Egypt and saved that nation from starvation and ruin through his prophetic gifts From the desert and thundering slopes of Mount Sinai then came the amazing life of Moses who rose out of his own fear to become one of the greatest prophets and leaders ever known who used the power of the priesthood to unleash an astonishing flood of miracles that exceeded any other epoch until the ministry of Jesus Christ He was soon followed by the great Ephraimite general Joshua who in his old age lead the children of Israel forth in battle as they conquered the land of Palestine which had been promised to them by the Lord However Israel s rise to greatness was short circuited by several hundred years of iniquity as they turned from the Lord and wallowed in sin Fortunately the Lord did not forsake them as he sent messages of light and hope to many prophets and judges such as Gideon Deborah Ruth and Samuel whose lives still inspire us today

Eventually the children of Israel began to see glimpses of a new golden epoch of righteousness and prosperity through the influence of the prophet Samuel and the rise of King Saul and King David All of these great names belong to the thrilling third thousand years of human history The Third Thousand Years like its predecessor The First 2 000 Years makes the Old Testament come alive with new understanding Obscure and misunderstood passages of scripture can now be understood through the additional light of modern revelation The text is carefully documented so that every important point is correlated with appropriate passages in the scriptures Helpful maps charts and illustrations are also included to enhance our understanding of this fascinating and dynamic epoch of history This eBook includes the original index illustrations footnotes table of contents and page numbering from the printed format
