Simmons, 2013-01-11 Medievalism the later reception of the Middle Ages has been used by many writers not just during the Victorian period but from the Renaissance to the present as a means of commenting on their own societies and systems of values Until recently this self interest was used to distinguish between Medievalism a selective often romanticised view of the past and medieval studies with its quest for an authentic Middle Ages The essays in this collection suggest that the search for knowledge of a real Middle Ages has always been a problematic one and that the vitality of the vision of Medievalism is demonstrated by its constant adaption to current concerns *The Century Dictionary* ,1889 *The Century Dictionary and Cyclopedia: Dictionary* ,1897 *American Book Publishing Record* ,2004
