I.B. Wingfield, 2011-12-23 I intend to offer the reading society and individuals varieties of pieces to ponder This book captures thoughts only what my spoken words cannot I believe that to obtain a balance in our minds and in our hearts we must explore the perimeters of our existence From despair to happiness we must look inside to inevitably know ourselves Literature is a quiet language of its own that must be manifest in books We must cherish literature The title Sunday In The Body Of The Garden Of Tyme sums up a day in the life of the author that lasted twenty years I assure you that he lived the research Is it poetry Useless montage You decide The subjects and ideas I represent are commonly grim or disconnected from hope This book reveals my battles w in out I do favor traditional styles of poetry However I am somewhat idiomorphic w these small stories I fear God and am constantly learning things from the least mundane to the most divine True poetry never fills a page or a book it forms a conscience far from the pages far from our hands I do wish that my readers find in this inaugural book Humor intellect question and relevance for these are scripts that we may all relate to in one way or another
