The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet Mary Cowden-Clarke, 1845

Being Bilingual in Borinquen Alicia Pousada, 2017-06-20 The Spanish speaking island of Puerto Rico also known as Borinquen has had a complex linguistic landscape since 1898 due to the United States colonial imposition of English as the language of administration and education Even after 1948 when Puerto Rico was finally permitted to hold its own gubernatorial elections and determine its own language policies controversy regarding how best to achieve bilingualism continued Despite many studies of the language dynamic of the island the voices of the people who actually live there have been muted This volume opens with a basic introduction to bilingualism with special reference to Puerto Rico It then showcases twenty five engaging personal histories written by Puerto Rican language professionals which reveal how they became bilingual the obstacles faced the benefits accrued and the linguistic and cultural future they envision for themselves and their children The closing chapter analyzes the commonalities of their richly detailed stories as well as the variability of their bilingual life experiences in order to inform a more nuanced language policy for Puerto Rico The linguistic autobiographies will resonate with bilinguals of all kinds in Puerto Rico and the Caribbean as well as those in other countries The main message that emerges from the book is that there are many routes to multilingualism and one size fits all language policies are doomed to miss their mark

Speak, Okinawa Elizabeth Miki Brina, 2021 A hauntingly beautiful memoir about family and identity NPR and a young woman's journey to understanding her complicated parents her mother an Okinawan war bride her father a Vietnam veteran and her own fraught cultural heritage Elizabeth's mother was working as a nightclub hostess on U.S. occupied Okinawa when she met the American soldier who would become her husband The language barrier and power imbalance that defined their early relationship followed them to the predominantly white upstate New York suburb where they moved to raise their only daughter There Elizabeth grew up with the trappings of a typical American childhood and adolescence Yet

even though she felt almost no connection to her mother's distant home she also felt out of place among her peers Decades later Elizabeth comes to recognize the shame and self loathing that haunt both her and her mother and attempts a form of reconciliation not only to come to terms with the embattled dynamics of her family but also to reckon with the injustices that reverberate throughout the history of Okinawa and its people Clear eyed and profoundly humane *Speak Okinawa* is a startling accomplishment a heartfelt exploration of identity inheritance forgiveness and what it means to be an American

Turtle Bogue Harry G. Lefever, 1992 This book is an oral history and ethnography of the Afro Caribbean individuals and families who settled in Tortuguero a small village in northeastern Costa Rica The author uses the concept of creole cultures and societies to analyze and interpret the descriptive ethnographic data in the book Illustrated **Putnam's Monthly and the Reader**, 1908 **Putnam's Monthly and the Critic**, 1908 *A Dictionary of Confusable Phrases* Yuri

Dolgoplov, 2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings this dictionary presents a unique cross section of the English language Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms cliches and set expressions Most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency **Teaching and Learning in a**

Multilingual School Tara Goldstein, Gordon Pon, Timothy Chiu, Judith Ngan, 2003-01-30 Teaching and Learning in a Multilingual School Choices Risks and Dilemmas is for teachers and teacher educators working in communities that educate children who do not speak English as a first language At the center of the book are findings from a four year critical ethnographic case study of a Canadian high school with a large number of emigrant students from Hong Kong and rich descriptions of the multitude of ways teachers and students thought about responded to and negotiated the issues and dilemmas that arose The solutions and insights they derived from their experiences of working across linguistic cultural and racial differences will be extremely valuable to educators in other locales that have become home to large numbers of immigrant families The book is designed to help readers think about how the issues and dilemmas in the case study manifest themselves in their own communities and how to apply the insights they gain to their own teaching and learning contexts Each chapter includes four components an excerpt from the ethnographic study an analytic commentary on the ethnographic text drawn from a variety of theoretical perspectives and academic disciplines including interactionist sociolinguistics language minority education English as a Second Language education critical literacy anti racist education and critical teacher education a pedagogical discussion and suggestions for further reflection and discussion The book features the use of ethnographic play writing to engage readers with the issues that arise in multicultural multilingual schools The author's play Hong Kong Canada is included in its entirety and is used to stimulate further discussion of the issues raised in each of

the chapters Although it is organized around two different kinds of schooling dilemmas dilemmas of speech and silence and dilemmas of discrimination everyday dilemmas of curriculum and assessment are also discussed throughout the book A methodological discussion of the choices the author made while designing conducting and writing up the critical ethnographic case study makes the book useful in qualitative research methodology courses A set of strategies and activities is provided for helping students develop English oral presentation skills *The Dublin University Review ...* ,1885 **If School Desks Could Speak** Mirka Christesen,2012-10-26 If School Desks Could Speak is a collection of true humorous and heartening vignettes from the classrooms of middle and high school students on both sides of the Atlantic From being addressed as babe to finding a father s personal item glowing in the dark from dodging flying spit balls to flying business class from confiscating student amorous messages to helping a teenage mother cope with an unplanned pregnancy these are only a few examples of life in the trenches You will be drawn into this honest testimony to the real world of a classroom teacher *Growing Up with Languages* Claire Thomas,2012 Primarily aimed as a practical resource for parents but also of interest to students and researchers because of its unique content it includes recollections of and advice on many of the common issues or dilemmas that arise in multilingual families [Narrative Inquiry into Language Teacher Identity](#) Takaaki Hiratsuka,2022-03-15 This book provides insights for both native language teachers and local language teachers alike who conduct team taught lessons by revisiting the topic of foreign assistant language teachers ALTs the Japan Exchange and Teaching JET program and team teaching This book is innovative in that a it is the first to elucidate ALTs experiences comprehensively across both historical time i e prior to during and after the JET program and social space i e inside and outside the school thereby revealing their multiple identities that they come to construct and reconstruct over time and b it explores the meanings and perspectives of particular phenomena that ALTs experience within their specific social settings from their own individual points of view This inquiry does this by using personal narrative accounts gathered from multiple participants Through these narrative accounts Hiratsuka formulates a conceptualization of ALT identity an effort that has hitherto been neglected As a consequence this book offers several practical and empirical applications of the conceptualization to future endeavors involving native language teachers and those who engage with them including the key stakeholders of local language teachers their local boards of education the governments and language learners across the globe **Young Learners, Diverse Children** Virginia Gonzalez,2009-09-22 For the increasing number of diverse young learners academic and social success can hinge on a teacher s ability to bridge home and school by making emotional connections with students and their families This book demonstrates how combining teaching methods with an authentic appreciation of children s backgrounds builds the confidence young learners need to succeed **SPEAK OUT** Priyankini Mahanta,2020-12-23 SPEAK OUT is about breaking your limiting beliefs the so called VICTIM THOUGHTS of being SHY into Empowering Thoughts of being a powerful SPEAKER This book revolves around the stories of ten powerful people who have

come across the same journey of being SHY at some point in time in their life and now they have reached different heights the author is one among them These stories are not about average people but about extraordinary people who are are TED speakers entrepreneurs fitness speakers and influencers This book also gives you a complete roadmap how you can work on yourself to come out of your shell of I am SHY **Beyond the Killing Fields** Usha Welaratna,1994-10-01 In 1975 after years of civil war Cambodians welcomed the Khmer Rouge Once in power the regime closed Cambodia to the outside world Four years later when the Vietnamese invaded Cambodia and defeated the Khmer Rouge the world learned how the Khmer Rouge had turned the country into killing fields After the Vietnamese takeover thousands of Cambodians fled their homeland This book presents the Cambodian refugee experience through nine first person narratives of men women and children who survived the holocaust and have begun new lives in America **You Don't Know Nothing Miss** Heather Harston,2007-03-08 Having been appointed to the post advertised as Applications are invited for the post of tutor and guide to boys with emotional or behavioural problems I established what became known as the special class in a Comprehensive School in the East End of London The book tells of my experiences in the first year and is the story of the boys who were sent to that class
