It's easy to compare yourself to other moms and set unrealistic expectations that make you doubt you're doing enough. You need hope and encouragement to help you find a new place to start on the days you're tempted to quit. Sharing vulnerable stories of her own struggles and doubts award-winning author, popular speaker, and mom of three Renee Swope is a friend, cheerleader, and mentor who will come alongside to help you find purpose and meaning in the challenges and adventures of motherhood. By unpacking powerful truths of grace and love God used to rescue her from discouragement and guilt that buried her in the dirt of defeat, Renee fills this book with hope, wisdom, and practical help every mom needs. Let Renee show you simple ways to give your child what they need most through the power of heart-centered parenting that is character-focused and relationship-driven. This book will transform not only the way you parent but also the way you see yourself as a mom and as a child of God. **Starting with Character** Cathy Waggoner, Martha Herndon, 2015-11-10 Activities and lessons for building good character through play in infants, toddlers, and twos. **Unexpected** Chris Thomas, 2023-03-07 The backstory of finding Elizabeth Smart and how growing up in the Mormon culture pushed the author to develop the exact kind of intuition that was needed to help manage Elizabeth's kidnapping and rescue while the world watched. Chris Thomas is not yet thirty years old when he finds himself managing the immense pressure, eccentric personalities, and extenuating circumstances of an international story where one small misstep could adversely impact the search for a missing teenager and the reputation of her family. Now twenty years later, Thomas takes readers behind the scenes, providing new details, perspectives, and commentary on finding Elizabeth Smart. In the process of reflecting on Elizabeth's search and rescue, Thomas discovers how growing up in the culture of The Church of Jesus Christ of Latter-day Saints, commonly known as Mormon, helped push him to develop the exact kind of intuition needed to manage Elizabeth's kidnapping and rescue and to do so while the world watched. **Unexpected** juxtaposes crucial events from the Smart case with Thomas's experience growing up in the Latter-day Saint culture, including coming to understand the secret of a broken war hero before it was too late. **Cases on Online Discussion and Interaction: Experiences and Outcomes** Shedletsky, Leonard, Aitken, Joan E., 2010-06-30 This book gives readers a better idea of what is likely to facilitate discussion online, what is likely to encourage collaborative meaning-making, what is likely to encourage productive, supportive, engaged discussion, and what is likely to foster critical thinking.
