apparaît galemment que la machine gouvernementale avec Edouard Philippe s'agit de fonctionner avec plus de fluidité qu'auparavant on a donc bien moins de couacs. Cela tient à la nature même du gouvernement composé de techniciens provenant de la société civile et dont les membres ont moins d'ambitions politiques personnelles. Mais pareil casting comporte aussi des inconvénients : ministres inconnus, manque de relais du Président dans l'opinion publique. En outre, LREM n'est pas une formation politique classique : les députés de la République en marche sont moins assés mais triser du fait de leur hétérogénéité et parfois de leur amateurisme. Quant au parti, il semble inexistant : partage entre soutien inconditionnel et expression autonome. Ce livre réunit les portraits de ceux qui comptent pour Macron et exercent le pouvoir avec lui, dont Brigitte Macron l'omnipotente.

Comparative Public Policy in Latin America. Jordi Diez, Susan Franceschet, 2012-11-23. This pioneering collection offers a comprehensive investigation into how to study public policy in Latin America. While this region exhibits many similarities with

the North American and European countries that have traditionally served as sources for generating public policy knowledge Latin American countries are also different in many fundamental ways As such existing policy concepts and frameworks may not always be the most effective tools of analysis for this unique region To fill this gap Comparative Public Policy in Latin America offers guidelines for refining current theories to suit Latin America s contemporary institutional and socio economic realities The contributors accomplish this task by identifying the features of the region that shape public policy including informal norms and practices social inequality and weak institutions This book promises to become the definitive work on contemporary public policy in Latin America essential for those who study the area as well as comparative public policy more broadly

Les jours heureux, programme du Conseil National de la Résistance Collectif,Sophie BINET,2024-03-13 En mars 2024 nous comm morerons le 80e anniversaire des Jours Heureux le programme adopt par le Conseil National de la R sistance le 15 mars 1944 Alors que la guerre fait rage en Europe et que l Allemagne nazie occupe la France des hommes se r

unissent dans l'ombre pour rigorer les fondations d'une société nouvelle. L'action militaire n'est pas tout, il faut aussi préparer l'avenir, inventer le jour d'après, sera le rôle de l'état-major de la Résistance. Le CNR fondé par Jean Moulin en mai 1943. En pleine clandestinité, les chefs des grands réseaux les dirigeants des principaux partis politiques de droite comme gauche ainsi que les représentants des deux grandes confédérations syndicales de l'époque, la CGT et la CFTC se réunissent et laborent un projet économique et social pour la France de demain. Le 15 mars 1944, le programme est entériné et publié sous le nom Les jours heureux. Plus qu'une simple brochure militante politique et économique, c'est un idéal, une vision et un changement radical de la France qui émergent. En son cœur, l'idée de solidarité et de mise en commun des richesses, service public, nationalisation, sécurité sociale, droit à la retraite, accès aux soins, congés payés, liberté de conscience, une presse indépendante des puissances de l'argent. Voici jetés les fondements de l'Etat providence et d'une société où l'intérêt particulier cède devant l'intérêt général. Adopter la Libération par le gouvernement provisoire du général de Gaulle, les Jours heureux ont façonné en profondeur notre pays. Mais cet héritage précieux est aujourd'hui en péril, grignoté par des politiques qui sapent son essence et affaiblissent les institutions démocratiques. D'urgence, de redonner ce document historique exceptionnel toute la place qu'il lui est due, car sauver le passé, c'est sauver l'avenir. Cette nouvelle édition des Jours heureux est précédée d'un texte inédit de Sophie Binet, actuelle secrétaire générale de la CGT. Un livre de combat, de rassemblement et d'espoir.
