Mounted Combat In Vietnam

**David Eugene Johnson, Adam
Grissom, Olga Olier**

Mounted Combat In Vietnam:

Mounted Combat in Vietnam Don A. Starry, United States Department of the Army, 2011-03-01 First published in 1978 From the preface This monograph is an account of the operations of armored units of the United States Army in the Republic of Vietnam The term armored units as used here is generic and includes tank and mechanized infantry battalions and companies armored cavalry squadrons and troops and air cavalry squadrons and troops all forces whose primary modus operandi was to fight mounted Mounted Combat in Vietnam Donn Albert Starry, 1989 *Mounted Combat in Vietnam* Donn Starry, 2017-05 *Mounted Combat in Vietnam* Donn A. Starry, General Donn A. Starry, 2015-10-01 This monograph is an account of the operations of armored units of the United States army in the Republic of Vietnam The term armored units as used here is generic and includes tank and mechanized infantry battalions and companies armored cavalry squadrons and troops and air cavalry squadrons and troops all forces whose primary modus operandi was to fight mounted *Vietnam Studies - Mounted Combat In Vietnam [Illustrated Edition]* General Donn A. Starry, 2014-08-15 Includes 1 chart 17 maps 6 diagrams and 38 illustrations The generally unsuccessful experience of French armored forces in Southeast Asia from the end of World War II to 1954 convinced American military men that armored units could not be employed in Vietnam It was not until 1967 however when a study titled Mechanized and Armor Combat Operations Vietnam was sent to the Chief of Staff and Secretary of the Army that the potential of armored forces was fully described to the Army's top leaders Despite the study's findings that armored cavalry was probably the most cost effective force on the Vietnam battlefield there was little that could be done to alter significantly either the structure of forces already sent to Vietnam or those earmarked for deployment The armored force of the Army of the Republic of Vietnam meanwhile had been successful enough in fighting the elusive Viet Cong that U S armored units had been deployed in limited numbers usually as part of their parent divisions From early March 1965 until the cease fire in Jan 1973 U S armored units participated in virtually every large scale offensive operation and worked closely with South Vietnamese Army and other free world forces After eight years of fighting over land on which tanks were once thought to be incapable of moving in weather that was supposed to prohibit armored operations and dealing with an elusive enemy against whom armored units were thought to be at a considerable disadvantage armored forces emerged as powerful flexible and essential battle forces In large measure they contributed to the success of the free world forces not only in close combat but in pacification and security operations as well When redeployment began in early 1969 armored units were not included in the first forces scheduled for redeployment and indeed planners moved armored units down the scale time and again holding off their redeployment until the very end **Mounted Combat in Vietnam** Donn A. Starry, 2015-01-20 *Mounted Combat in Vietnam* Donn Albert Starry, 1979 The Battle of Ap Bac, Vietnam David M. Toczek, 2001-04-30 Toczek provides the first description of the entire battle of Ap Bac and places it in the larger context of the Vietnam War The study thoroughly examines the January 1963 battle complete with detailed supporting maps

Ironically Ap Bac's great importance lies in American policymakers' perception of the battle as unimportant for all their intelligence and drive. Senior American government officials missed the early warning signs of a flawed policy in Southeast Asia by ignoring the lessons of the defeat of the South Vietnamese Army (ARVN) on 2 January 1963. The outcome of Ap Bac was a direct reflection of how the U.S. Army organized, equipped, and trained the ARVN. With all the ARVN officer corps's shortcomings, the South Vietnamese Army could not successfully conduct an American combined arms operation against a smaller, less well-equipped enemy. American leadership, both military and civilian, failed to draw any connection between ARVN's dismal performance and American policies toward South Vietnam. Although certain tactical changes resulted from the battle, the larger issue of American policy remained unchanged, including the structure of the advisory system.

In the Middle of the Fight David Eugene Johnson, Adam Grissom, Olga Oliker, 2008. This monograph presents a qualitative assessment of the performance of medium armored forces in 13 past conflicts that span the range of military operations. The accompanying analysis is designed to help inform U.S. Army decisions about fielding medium armored forces in the future. The case histories yielded three major insights: First, medium armored forces fare poorly against competent, heavily armored opponents. This finding will prove relevant to the U.S. Army's medium armored forces if their survivability and lethality do not live up to expectations or cannot be fully realized in battlefield conditions. Second, doctrinal and organizational steps can, in certain circumstances, mitigate medium armor's liabilities. These steps include the implementation of high-quality combined arms tactics down to the lowest echelons, the effective application of supporting firepower, and training for crews and junior leaders. Finally, the U.S. Army has lacked a forced entry armor capability since the retirement of the M551 Sheridan. Neither the Stryker vehicle nor the Future Combat Systems, as currently envisioned, can fill that critical void. The authors conclude that it would be prudent for the U.S. Army to maintain a mix of heavy, medium armored, and light forces that can be task organized and employed in conditions that best match their attributes. Medium armored forces have much to offer in such a mix.

provided by publisher *Armor In Vietnam [Illustrated Edition]* Frederick Eugene Oldinsky, 2015-11-06. Includes 24 maps. This thesis begins with a brief history of armored vehicles from their earliest concepts to the modern battle tank of today. It critically examines the decision not to include tank units with the first American combat forces deployed in Vietnam and the irrationality of that decision in light of a similar decision made prior to the Korean conflict. Tanks were deployed in limited numbers in Vietnam in spite of a decision to the contrary, and once there, they proved their usefulness and their ability to perform in a tropical environment against an elusive enemy. Examples of the tank's effectiveness in Vietnam are given, and the feasibility of deploying major armored forces to that country is discussed. Problems created by insufficient armor are addressed, as well as the limitations and vulnerabilities of tanks and other armored vehicles. Armor doctrine is traced from the tank's role in breaking the stalemate of World War I through the formative years of World War II and its application to the war in Vietnam. Since most armored weapons were designed primarily for conventional warfare, a number of modifications

were required to adapt the weapons to an unconventional war Some of the more significant modifications are described Finally lessons learned by the Vietnam experience and their future application are discussed Concluding consideration in the paper is whether or not decision makers will need these lessons learned or continue to make the same mistakes *Press On! Selected Works of General Donn A. Starry, Volume 2, September 2009* ,2009

The US Army in the Vietnam War 1965-73 Gordon L. Rottman,2013-02-20 This book provides detailed information about how US Army units were organised and operated in America s longest war Vietnam Special Forces veteran Gordon L Rottman examines the different types of infantry battalions and the units that supported them their training and organisation down to platoon level Aspects of the US Army s conventional and unconventional warfare doctrine are also addressed along with a discussion of how replacements were trained and integrated into units Among other areas of the US Army s involvement covered are individual and crew served weapons artillery armoured fighting vehicles transport logistics the complex chain of command and combat operations Armoured Warfare Alaric Searle,2017-02-09 This book charts the history of armoured warfare from the first use of the tank in 1916 right through to the 21st century adopting military political and global perspectives Alaric Searle explores the origins of the tank the part it played in the First World War and its contribution to the outcome of the war He considers its role as a tool of propaganda the military controversies of the interwar period and the employment of armoured forces in all the major theatres in the Second World War Since the First World War major and medium sized powers have invested heavily in armoured forces Searle looks at the conduct of mechanised warfare in Korea Indo China and Vietnam and during conflicts such as the Arab Israeli Wars and the Gulf Wars Armoured Warfare adopts a global perspective providing the most comprehensive survey of the history of the subject currently available With a detailed bibliography of both primary and secondary sources it is an ideal companion for those studying armoured warfare modern military history and war studies

Marine Corps Tanks and Ontos in Vietnam LtCol Ray Stewart USMC,2018-06-12 This book covers the action of marine tankers and Ontos crewmen who fought the local Viet Cong the Viet Cong Main Forces and the North Vietnamese Regular Army from 1965 to 1970 in I Corps South Vietnam It opens with a brief backdrop of the history of Vietnam the political atmosphere in South Vietnam a short bio of the senior military leadership on both sides and what led the US to the landing of marines on March 8 1965 From that point the chronology is based on previously classified documents Marine Corps official documents with interviews from and articles by marine veterans who detailed their fight Maps personal pictures and charts supplement the narrative **A Life in a Year** James Ebert,2004-03-02 This provocative in depth book focuses on the experiences of the infantry soldier in Vietnam More than 60 Army and Marine Corps infantrymen speak of their experiences during their year long tours of duty **Our Year of War** Daniel P. Bolger,2025-05-01 Two brothers Chuck and Tom Hagel who went to war in Vietnam fought in the same unit and saved each other s life They disagreed about the war but they fought it together 1968 America was divided Flag draped caskets came home by the thousands Riots ravaged our cities Assassins

shot our political leaders Black fought white young fought old fathers fought sons And it was the year that two brothers from Nebraska went to war In Vietnam Chuck and Tom Hagel served side by side in the same rifle platoon Together they fought in the Mekong Delta battled snipers in Saigon chased the enemy through the jungle and each saved the other's life under fire But when their one year tour was over these two brothers came home side by side but no longer in step one supporting the war the other hating it Former Secretary of Defense Chuck Hagel and his brother Tom epitomized the best and withstood the worst of the most tumultuous shocking and consequential year in the last half century Following the brothers paths from the prairie heartland through a war on the far side of the world and back to a divided America Our Year of War tells the story of two brothers at war a gritty poignant and resonant story of a family and a nation divided yet still united **Psychological**

Operations Supporting Counterinsurgency: 4th Psyop Group In Vietnam Major Michael G. Barger, 2014-08-15 Military and civilian agencies conducted Psychological Operations on an unprecedented scale during the Vietnam War Emphasis on PSYOP from MACV and the U S Mission resulted in the creation of an interagency organization providing direction to the overall PSYOP effort The military PSYOP force supporting MACV underwent a series of organizational changes over seven years as the force struggled to meet ever increasing demands but never reached their full potential in Vietnam Difficulties in measuring effectiveness combined with a lack of understanding of PSYOP techniques and capabilities more often than not resulted in the relegation of PSYOP to supporting sideshow status rather than the full integration into supported unit planning necessary for success However the evolution of the PSYOP force and reports from participants provide numerous lessons learned applicable to current operations under the aegis of the Global war on Terrorism **Vietnam Firebases**

1965-73 Randy E. M Foster, 2012-08-20 Artillery fire support bases of the Freeworld forces played a critical role in the conduct of operations during the Vietnam War They served to lay down high volume fire on enemy firing sites supported friendly infantry operations and executed harassing fire missions where exact targets were not known But the firebases themselves which housed a range of other facilities such as troop shelters surveillance radars and command centers had to be defended against ground attack and as a result became significant fortifications in their own right This book describes the design development and operational history of the fire support bases throughout the conflict **Vietnam** Gerry and Janet Souter, 2025-03-27 Vietnam The Unwinnable War is a dramatic guide to the suffering sacrifice and heroism of one of the most significant and debated periods in twentieth century history Expertly retold with searing imagery and accounts of the events that unfolded this definitive visual history memorializes this controversial and bloody conflict Also included are 20 pieces of memorabilia reproduced on the page taken from US archives and personal collections to give an authentic and moving telling of events from personal letters from US soldiers US Airborne calling cards extracts from US Army phrasebooks and even letters sent between the Vietnamese and American governments during the fighting See the war through the eyes of those that experienced it first hand and gain a deeper understanding of this historical moment and its human and political cost

Mounted Combat In Vietnam Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mounted Combat In Vietnam has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mounted Combat In Vietnam has opened up a world of possibilities. Downloading Mounted Combat In Vietnam provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mounted Combat In Vietnam has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mounted Combat In Vietnam. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mounted Combat In Vietnam. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mounted Combat In Vietnam, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mounted Combat In Vietnam has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing

so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mounted Combat In Vietnam Books

1. Where can I buy Mounted Combat In Vietnam books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Mounted Combat In Vietnam book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Mounted Combat In Vietnam books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Mounted Combat In Vietnam audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Mounted Combat In Vietnam books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
