Ebel,John E. Petersen,2012-03-21 State and local government fiscal systems have increasingly become vulnerable to economic changes Over the past three decades state and local deficits during economic recession have been larger and deeper each time The impact of the Great Recession and its aftermath of feeble growth and lingering high unemployment has been dramatic both in scope and intensity Before the crisis long term structural deficits were persistent for both individual governments and the entire sector as spending plans and patterns outpaced governments revenue generating capacity The revenue systems of

these governments eroded while the workloads and scope on the expenditure side of the state and local system budget continued to grow This handbook evaluates the persistent problems in the fiscal systems of state and local governments and what can be done to solve them It contains 35 chapters authored by 60 practitioners and academics who are renowned scholars in state and local finance Each chapter provides a description of the discipline area examines major developments in policy practices and research and opines on future prospects The chapters are divided into four sections Section I is a systematic discussion of the institutional economic and political framework that provides a background for understanding the structure and financial performance of the state and local sector The chapters in Section II provide an overview of the various components of state and local revenue systems and how they reacted to the Great Recession They analyze the diverse forms of taxes and charges in detail prescribe remedies and alternatives and examine the implications for future revenue performance Chapters in Section III turn to spending borrowing and financial management in the state and local sector The focus is on the big six service delivery sectors education health care human services transportation pensions and housing Section IV is a set of chapters that look ahead and speculate about how the state and local government sector s money raising spending and service delivery structures will adjust to the new circumstances
