## **Nugget Coombs A Reforming Life:**

**Nugget Coombs** Tim Rowse,2002-07-23 A 2002 biography of H C Nugget Coombs one of the most influential Australians of the twentieth century **Nugget Coombs** Tim Rowse,2005-09-27 H C Coombs was one of the most influential Australians of the twentieth century Born in 1906 he is best known as the governor of the Reserve Bank but the breadth of his activities and his commitment to public life until his death is unsurpassed Tim Rowse traces Coombs life from his childhood in Western Australia to his many roles as policy maker change agent advocate and adviser Particularly interested in Coombs as an economist Tim Rowse shows that a key motif in his life as a public servant was to create an economic rationality among the political elite that was socially integrative and that looked beyond the strictures of economics to environmental sustainability scientific and artistic creativity This 2002 book covers Coombs life from birth to death providing intriguing insights into the life of one of Australia s most influential people *Securing Village Life* Scott

MacWilliam,2013-05-01 SECURING VILLAGE LIFE DEVELOPMENT IN LATE COLONIAL PAPUA NEW GUINEA examines the significance for post World War II Australian colonial policy of the modern idea of development Australian officials emphasised the importance of bringing development for both the colony of Papua and the United Nations Trust Territory of New Guinea The principal form that development took involved securing smallholders against the tendencies of other forms of capitalist development that might have separated households from land In order to make household occupation of their holdings more secure and at higher standards of living the colonial administration coordinated and supervised increases in production of crops and other agricultural produce Contrary to suggestions that colonial policy and practice ignored indigenous agriculture and concentrated on plantation crops grown by international firms and expatriate owner occupiers the study shows how the main focus was instead upon increasing smallholder output for immediate consumption as well as for local and international markets Simultaneously development stimulated increases in consumption including of goods produced through manufacturing processes and imported into the colony Only as Independence approached was the pre eminence of the earlier focus upon smallholders weakened In part the change occurred due to the political advance of the indigenous capitalist class and their allies seeking to extend their base in largeholding agriculture and related commercial activities This advance and the uncertainty over which form of development would prevail once indigenes held state power in post colonial Papua New Guinea stood in marked contrast to the definite direction pursued under the colonial administration of the 1950s and early 1960s Dictionary of World Biography Barry Jones,2025-01-06 Jones Barry Owen 1932 Australian

politician writer and lawyer born in Geelong Educated at Melbourne High School and Melbourne University he was a public servant high school teacher television and radio performer university lecturer and lawyer before serving as a Labor MP in the Victorian Parliament 1972 77 and the Australian House of Representatives 1977 98 He took a leading role in reviving the Australian film industry and abolishing the death penalty in Australia and was the first politician to raise public awareness of

global warming the post industrial society the IT revolution biotechnology the rise of the Third Age and the need to preserve Antarctica as a wilderness In the Hawke Government he was Minister for Science 1983 90 Prices and Consumer Affairs 1987 Small Business 1987 90 and Customs 1988 90 He became a member of the Executive Board of UNESCO Paris 1991 95 and National President of the Australian Labor Party 1992 2000 2005 06 He was Deputy Chairman of the Constitutional Convention 1998 His books include Decades of Decision 1860 1965 Joseph II 1968 Age of Apocalypse 1975 and Knowledge Courage Leadership Insights Reflections 2016 and he edited The Penalty Is Death 1968 revised and expanded 2022 His bestseller Sleepers Wake Technology and the Future of Work 1982 Fourth edition published in 1995 has been translated into Chinese Japanese Korean Swedish and braille

**Australia's Boldest Experiment** Stuart Macintyre, 2015-06-01 In this landmark book Stuart Macintyre explains how a country traumatised by World War I hammered by the Depression and overstretched by World War II became a prosperous successful and growing society by the 1950s An extraordinary group of individuals notably John Curtin Ben Chifley Nugget Coombs John Dedman and Robert Menzies re made the country planning its reconstruction against a background of wartime sacrifice and austerity The other part of this triumphant story shows Australia on the world stage seeking to fashion a new world order that would bring peace and prosperity This book shows the 1940s to be a pivotal decade in Australia At the height of his powers Macintyre reminds us that key components of the society we take for granted work welfare health education immigration housing are not the result of military endeavour but policy planning politics and popular resolve

**A History of Canberra** Nicholas Brown, 2014-09-29 Designed as an ideal city and emblem of the nation Canberra has long been a source of ambivalence for many Australians In this charming and concise book Nicholas Brown challenges these ideas and looks beyond the clichés to illuminate the unique layered and often colourful history of Australia's capital Brown covers Canberra's selection as the site of the national capital the turbulent path of Walter Burley Griffin's plan for the city and the many phases of its construction He surveys citizens diverse experiences of the city the impact of the Second World War on Canberra's growth and explores the city's political history with insight and wit A History of Canberra is informed by the interplay of three themes central to Canberra's identity government community and environment Canberra's distinctive social and cultural history as a centre for the public service and national institutions is vividly rendered

**Art Was Their Weapon** Dylan Hyde, 2019-10-01 The politics art and culture of Perth's Workers Art Guild are detailed in this comprehensive history as well as the personal and professional lives of some of the movement's key figures The Workers Art Guild was a left leaning political force and influential cultural movement of the 1930s and 1940s in Perth Police and intelligence arms kept close tabs on the Guild and its members jailing some and intimidating many others prior to and during the period of the banning of the Communist Party in Australia The book covers the personal and professional lives of key figures such as writer Katharine Susannah Prichard and theatre maverick Keith George while charting the influence of the Communist Party on Western Australian artists

The Ivory Tower and Beyond Susan

Cochrane,Doug Munro,Max Quanchi,2009-03-26 There is a tradition of participant history among historians of the Pacific Islands unafraid to show their hands on issues of public importance and risking controversy to make their voices heard This book explores the theme of the participant historian by delving into the lives of J C Beaglehole J W Davidson Richard Gilson Harry Maude and Brij V Lal They lived at the interface of scholarship and practical engagement in such capacities as constitutional advisers defenders of civil liberties or upholders of the principles of academic freedom As well as writing history they made history and their excursions beyond the ivory tower informed their scholarship Doug Munro s sympathetic engagement with these five historians is likewise informed by his own long term involvement with the sub discipline of Pacific History      **Essays I** R. L. Stevenson,2018-06-06 An analysis of novelistic explorations of modernism in mathematics and its cultural interrelations      *Poor Relation* Stuart Macintyre,2010-07-01 What are the social sciences What do they do How are they practised in Australia The Poor Relation examines the place of the social sciences from economics and psychology to history law and philosophy in the teaching and research conducted by Australian universities Across sixty years The Poor Relation charts the changing circumstances of the social sciences and measures their contribution to public policy In doing so it also relates the arrangements made to support them and explains why they are so persistently treated as the poor relation of science and technology      **Trevor Winchester Swan, Volume I** Peter L. Swan,2022-11-22 This book the first of two volumes explores the legacy of Trevor Winchester Swan often described as Australia s greatest ever economist An insightful biography is accompanied with Swan s most prominent articles to provide a broad view of his life and work Particular attention is given to the famous Swan Diagram known among macroeconomists worldwide Swan s four zones of economic unhappiness his view of how economies grew based on capital deepening and technical progress and the Solow Swan model of economic growth This book aims to shed light on the enigmatic and influential life of Trevor Winchester Swan It will be relevant to students and researchers interested in the history of economic thought      Between Indigenous and Settler Governance Lisa Ford,Tim Rowse,2013 This book addresses the history current development and future of indigenous self governance in five settler colonial nations Australia Canada New Zealand South Africa and the United States      **A Concise History of Australia** Stuart Macintyre,2020-12-10 Stuart Macintyre one of Australia s most highly regarded historians revisits A Concise History of Australia to provoke readers to reconsider Australia s past and its relationship to the present Integrating new scholarship with the historical record the fifth edition of A Concise History of Australia brings together the long narrative of Australia s First Nations peoples the arrival of Europeans and the era of colonies convicts gold and free settlers the foundation of a nation state and the social cultural political and economic developments that created a modern Australia As we enter the third decade of the twenty first century Macintyre s Australia remains one of achievements and failures So too the future possibilities are deeply rooted in the country s past endeavours A Concise History of Australia is an invitation to examine this past      Lionel Robbins Susan Howson,2011-09-30 By the time of his death the English

economist Lionel Robbins 1898 1984 was celebrated as a renaissance man He made major contributions to his own academic discipline and applied his skills as an economist not only to practical problems of economic policy with conspicuous success when he served as head of the economists advising the wartime coalition government of Winston Churchill in 1940 45 and of higher education the Robbins Report of 1963 but also to the administration of the visual and performing arts that he loved deeply He was devoted to the London School of Economics from his time as an undergraduate following active service as an artillery officer on the Western Front in 1917 18 through his years as Professor of Economics 1929 62 and his stint as chairman of the governors during the troubles of the late 1960s This comprehensive biography based on his personal and professional correspondence and other papers covers all these many and varied activities Family Experiments Shelley Richardson, 2016-11-30 Family Experiments explores the forms and undertakings of family that prevailed among British professionals who migrated to Australia and New Zealand in the late nineteenth century Their attempts to establish and define family in Australasian suburban environments reveal how the Victorian theory of separate spheres could take a variety of forms in the new world setting The attitudes and assumptions that shaped these family experiments may be placed on a continuum that extends from John Ruskin's concept of evangelical motherhood to John Stuart Mill's rational secularism Central to their thinking was a belief in the power of education to produce civilised and humane individuals who as useful citizens would individually and in concert nurture a better society Such ideas pushed them to the forefront of colonial liberalism The pursuit of higher education for their daughters merged with and in some respects influenced first wave colonial feminism They became the first generation of colonial middle class parents to grapple not only with the problem of shaping careers for their sons but also and more frustratingly what graduate daughters might do next Teacher for Justice Heather Goodall, Helen Randerson, Devleena Ghosh, 2019-08-26 Teacher for Justice is a major contribution to the history of the women's movement working class activism and Australian political internationalism But it is more than this By focusing on the life of Lucy Woodcock an unrecognised and under researched figure this book rewrites the history of twentieth century Australia from the perspective of an activist who challenged conventions to fight for gender race and class equality exploring the complex and multi layered intersections of these aspects It explores Woodcock's personal relationships and the circles she mixed in and the friendships she forged as well as the conventions she challenged as a single woman in possibly a same sex relationship The book makes a key contribution to the history of progressive education and the experience of women teachers Above all it charts the life of a transnational figure who made connections globally and in particular with refugees and with women in India and the Asian region It is a detailed thoroughly researched and richly textured history which places Woodcock within the context of the times in which she lived Joy Damousi Professor of History University of Melbourne Meet Lucy Woodcock a complex undaunted woman in a tough and changing world From her role as a public school principal in Depression and wartime to her union and feminist organising to her transnational engagements for peace

this clear and thoughtful book brings to life forgotten forms of activism It s the gripping story of how Lucy navigated the minefields of gender class race and coloniality to change her world Raewyn Connell Professor Emerita University of Sydney Just over a century ago the last of the pupil teachers Lucy Woodcock co founded the NSW Teachers Federation So many of the principles and traditions that underpin our union today can be traced back to the lifelong work of Lucy Woodcock She fought for the industrial rights of teachers deep in the knowledge of the broader social and economic context in which she lived and worked Too often the role of working class women whose influence is profound is ignored This biography installs Lucy Woodcock into her rightful place as pivotal player in the history of twentieth century Australia Maurie Mulheron President NSW Teachers Federation A fascinating history of a fascinating woman Lucy s interests were so broad and so modern equal pay racism internationalism Indigenous rights and anti war struggles were all part of Lucy s world She had a vision beyond nationalism championed the cause of world peace when peace was being treated as a dirty word and saw women as global citizens Lucy was one of the heroes of our disgracefully unfinished Equal Pay struggle Hon Dr Meredith Burgmann anti racism and peace activist former President of the NSW Legislative Council Interpretive Political Science R. A. W. Rhodes,2017-06-30 Interpretive Political Science is the second of two volumes featuring a selection of key writings by R A W Rhodes Volume II looks forward and explores the interpretive turn and its implications for the craft of political science especially public administration and draws together articles from 2005 onwards on the theme of the interpretive turn in political science Part I provides a summary statement of the interpretive approach and Part II develops the theme of blurring genres and discusses a variety of research methods common in the humanities including ethnographic fieldwork life history and focus groups Part III demonstrates how the genres of thought and presentation found in the humanities can be used in political science It presents four examples of such blurring at work with studies of applied anthropology and civil service reform women s studies and government departments and storytelling and local knowledge The book concludes with a summary of what is edifying about an interpretive approach and why this approach matters and revisits some of the more common criticisms before indulging in plausible conjectures about the future of interpretivism The author seeks new and interesting ways to explore governance high politics public policies and the study of public administration in general Volume I collects in one place for the first time the main articles written by Rhodes on policy networks and governance between 1990 and 2005 and explores a new way of describing British government focusing on policy making and the ways in which policy is put into practice *The State as Cultural Practice* Mark Bevir,R. A. W. Rhodes,2010-04-08 The State as Cultural Practice offers a fully worked out account of the authors distinctive interpretive approach to political science It challenges the new institutionalism probably the most significant present day strand in both American and British political science It moves away from such notions as bringing the state back in path dependency and modernist empiricism Instead Bevir and Rhodes argue for an anti foundational analysis ethnographic and historical methods and a decentred approach that rejects any essentialist

definition of the state and espouses the idea of politics as cultural practice The book has three aims to develop an anti foundational theory of the state to develop a new research agenda around the topics of rule rationalities and resistance by exploring empirical shifts and debates about the changing nature of the state to show how anti foundational theory leads us to see them differently Bevir and Rhodes argue for the idea of the stateless state or the state as meaning in action So the state is neither monolithic nor a causal agent It consists solely of the contingent actions of specific individuals of diverse beliefs about the public sphere about authority and power which are constructed differently in contending traditions Continuity and change are products of people inheriting traditions and modifying them in response to dilemmas A decentred approach explores the limits to the state and seeks to develop a more diverse view of state authority and its exercise In short political scientists need to bring people back in to the study of the state

**Historical Dictionary of Australia** Norman Abjorensen, James C. Docherty, 2014-12-05 Australia's development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

**The Craft of Governing** R.A.W. Rhodes, 2020-08-02 Bargaining and puzzling power and thought dealing and agonising compromise and commitment These are two sides of political practitioners whether politician public servant or campaigner Understand the interplay and we can just sometimes make sense of the real world we seek to interpret Patrick Weller's observation comes from half a century of contemplating politics in action The question of how government works lies at the heart of political science and it has also been the career focus of this pioneer in the field The Craft of Governing offers a tribute to the contribution of Patrick Weller to Australian political science with chapters from leading political commentators including Michelle Grattan Peter Shergold Bob Jackson and James Walter Contributors consider the role of the prime minister approaches to studying executive government the continuing significance of senior public servants and the nature of leadership in public bureaucracies They also reflect on how insights from the study of domestic public policy can be applied to international organisations challenges faced by Westminster democracies and approaches to political biography The Craft of Governing is an invaluable resource for readers interested in approaches to studying politics and the development of political science as a discipline
