**The Numerical Structure of the Holy Bible** Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study

Marshall,2022-04-11 PAUL S LETTER TO THE PHILIPPIANS provides the reader with an explanation of Scripture that is detailed and up to date with modern scholarship faithful to Scripture as the inerrant infallible Word of God It is a trusted resource for Bible study Each commentary volume offers straightforward clear trustworthy practical and applicable explanations written by conservative evangelical scholars This verse by verse commentary makes every volume easy to understand and beneficial to your Christian life today Yet it also gives the reader a more in depth understanding of God s Word The author does not provide you with what he thinks feels or believes Instead he gives you what God said and what the Bible author meant by the words that he used The reader will also be given the historical context Bible backgrounds and any Bible difficulties     **Covenant** Chris Woodall,2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies and promises concerning God s people in the Old Testament But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there The
