Numerology and How to Change Conditions L. Dow Balliett, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **The Science of Numerology** Walter Brown Gibson, 1927 *The Primary Way* Chung-ying Cheng, 2020-09-01 In *The Primary Way*, the distinguished scholar of Chinese philosophy, Chung-ying Cheng, synthesizes his lifetime of work on the Yijing, also known as the I Ching or Book of Changes. Cheng offers a systematic engagement with the classic Chinese text as a philosophy that is still valuable and relevant today. In contemporary philosophical terms, Cheng has developed the ontological hermeneutics of the Yijing as well as its philosophical methodology of symbolic reference in a holistic and onto-generative system of trigrams and hexagrams. The book is organized around eight themes that illuminate Cheng's interpretation of the Yijing as a philosophy for creative human action and transformation. He demonstrates how the philosophy of change in the Yijing embodies early Chinese ontology, cosmology, epistemology, and virtue ethics in the interpretation of divinatory judgments. Cheng's work shows how the philosophy of change contains a vision of humanity as creatively related to heaven and earth and how it gives positive meaning to any change as part of a ceaseless creativity. With this understanding, it enables humanity to develop its potential as a partner of heaven and earth. TO THINK LIKE GOD Arnold Hermann, 2004-12-15 This book is the scholarly; it was certainly not a key to the realm of the divine. Thus their contributions to philosophy's inception, while much better publicized, was not the most significant. That particular role was reserved for an unusual challenge and the elaborate reaction it provoked. **Imagine Living Life Well with Perspective & Perseverance** Maureen Whitaker, 2023-03-28 *Imagine Living Life Well with Perspective Perseverance* Book Three of Book Series Volume V From Great Times to Facing Dragons Persevering, Anna has a dream which they hope is not a prophecy. It is *Walk on the Wild Side*. It reveals something to them and they meet with their doctor friends. They begin seminars through organizations. One event has an incident which lands Liam, Anna, Mike, and Dave in an extreme Life Challenge. They use The Seal's for Healing and Protection. They hold their moral and social Code of Honor in the highest esteem. They faced double-edged situations and proceed to Choose Wisely in Speaking their Truths. They live life how they believe and Walk Their Talk. One of the single most important and vital aspects of the human condition living on this Earth is our Ability to Effectively Communicate with all other human beings without prejudice and with tolerance to foster a rapport with others and share knowledge, history, information, and truths. Liam said emphatically, "If ever I felt there were others who I likened to The Four Musketeers, One for All and All for One, it is the four of us. We each battle for each other to the benefit of the whole. Not many friends can do this as well as we four. It is totally awesome."
