

A digital illustration of a human head in profile, facing right. The head is rendered in a translucent blue color. Inside the head, the brain is depicted as a glowing, complex network of lines and nodes, with a bright yellow and orange light source at the center. Surrounding the head are numerous floating numbers in various colors (yellow, orange, red, green, blue) and sizes. Some numbers are large and prominent, while others are small and scattered. The background is dark blue with a grid of glowing lines and binary code (0s and 1s) in various colors. The overall effect is a sense of digital connectivity and data processing.
