One Came To Stay:

When Joy Came to Stay Karen Kingsbury, 2006-09-15 Maggie Stovall is trapped inside a person she's spent years carefully crafting. Now the truth about who she is and what she's done is bursting to the surface and sending Maggie into a spiral of despair. Will she walk away from everything or can Maggie allow God to take her to a place of ultimate honesty before it's too late? Maggie Stovall, one of the golden people, she has it all together. At least on the surface. Ben Stovall, Godly husband, successful attorney, has no idea of the darkness about to overtake his life. Amanda Joy Child of society, abused, broken, thrown away, but her trust in God is still alive. When Joy Came to Stay is the heart-wrenching story of one woman's descent into the shadows of depression, her husband's search for understanding, and a precious child's unwavering faith. Kingsbury's poignant tale of a lost and broken family and how they experience God's miraculous healing is a sure guarantee to bring hope and joy to her readers.

Melody Carlson, bestselling author of the *Diary of a Teenage Girl* series, a thought-provoking account of the battle of depression in a believer's life. It leaves no doubt that God is loving, merciful, and faithful.

Nancy Moser, author of the *The Mustard Seed* series, *Story Behind the Book*. Each of my novels is a piece of my heart. *Where Yesterday Lives* was my first ever novel, and as such, it is somewhat autobiographical. The childhood story of Ellen Barrett, her love for her parents and siblings, is my story, though her current story and struggles are fictional.

On Every Side sheds light on the struggle for religious freedom in today's climate, something I am passionate about.

Finally, *When Joy Came to Stay* is the story of one woman's battle against depression and the secrets of her past.

Karen Kingsbury *Amelia's Adventure* Dimitrios Spyridon Chytiris, A Kingdom in Great Danger. Who will be the one to save the world from destruction? Amelia had looked in this particular book before. She remembered it very well because it was the book with the silver dragon and the golden knight on its cover. She had really wanted to read it but couldn't since the pages were all white, blank. Not anymore though. For some bizarre reason, the young princess could not explain nor understand the book was writing itself. A young princess decides to run away from the dullness of the palace in search of an adventure like the ones she used to read when she was a child. However, her plans soon change as she finds herself facing an ancient curse that threatens to destroy the whole kingdom. Now Amelia, with the assistance of an eccentric young woman called Marcella and the brave Golden Knight, must find a way to stop a flock of bloodthirsty dragons from burning down the whole world and turning it to a wasteland.
