Prosa del observatorio

Prosa Del Observatorio

Verity Smith

Prosa Del Observatorio:

Prosa del observatorio Julio Cortázar, 2018-01-01 Prosa del observatorio tiene el extra o privilegio de ser uno de los libros menos estudiados de Cortázar y a la vez uno de los que mejor representan su poética y su visión del mundo Incluye por primera vez las fotos originales tomadas por Julio Cortázar Jai Singh quiere ser eso que pregunta Jai Singh sabe que la sed que se sacia con el agua volver a atormentarlo Jai Singh sabe que solamente siendo el agua dejar de tener sed Obra anfibia hecha de las fotos tomadas por Cortázar en 1968 del observatorio de Jaipur en la India construido por el sultán Jai Singh en el siglo XVIII y una serie de textos fechados en París y en Saignon en 1971 La asombrosa plasticidad con que se funden las prosas poéticas y las fotografías convierten al libro en una amalgama perfecta repleta de imágenes relatos reflexiones hallazgos expresividad y sin cdos de modo que más que acompañarse unas a otras parecen interpelarse primero y fundirse después Asomarse a esta obra tan erótica como filosófica que se alimenta más del asombro que de lo lúdico permite espiar un espacio donde conviven las guilas y las anguilas Baudelaire y Nietzsche la cinta de Moebius y ese instante previo al alba que Cortázar denomina la noche pelirroja Y experimentar al mismo tiempo ese punto trascendental y libre del lenguaje más allá de lo verbal y lo visual donde se rompen las fronteras entre Oriente y Occidente entre el cielo y el océano entre la ciencia y la poesía

Photography and Writing in Latin America Marcy E. Schwartz, Mary Beth Tierney-Tello, 2006-07-15 This is the first book to document the extensive collaboration between writers and photographers in Latin America from the Mexican Revolution through the twentieth century

Prosa del observatorio / From the Observatory Julio Cortázar, 2017-01-31 Prosa del observatorio es a pesar de la confesión del primer sustantivo un texto claramente poético Julio Cortázar uno de los mejores escritores contemporáneos convoca la noche de Jai Singh bebiendo un flujo de estrellas los observatorios de Jaipur y de Delhi el anillo de Moebius y la región de los sargazos en un juego de imágenes que se entrelazan y combinan como compases de una estructura musical El mirador desde el que se descifran y rastrean los signos ocultos del cielo Jaipur y la torre del sultán o el fondo del océano con su mar de sargazos y el movimiento envolvente de las anguilas son los instrumentos apropiados para este código poético de delicadas aproximaciones toda vez que la poesía se funda en la ambigüedad y en el contacto fulminante de dos signos inesperadamente conjugados por la imaginación o el ritmo ese creador de metáforas

ENGLISH DESCRIPTION Perhaps Cortázar's most unconventional work From the Observatory moves from descriptions of the life cycle of the Atlantic eel to glimpses of the unearthly structures of an observatory built in Jaipur by an 18th century Indian prince This architectural wonder is not merely a place dedicated to astronomical observation but also a space that bears witness to the dreams of those who entered it Cortázar's haunting photos of this enigmatic place flow into other images streets oceans night skies which then flow into his verbal dance with a dream logic all its own Like fish unaware of why they are migrating readers will be pulled into this fantastic current

Julio Cortázar Carlos J. Alonso, 1998-06-13 A 1998 collection of essays on the Argentine writer Julio Cortázar

Hacia Cortázar Jaime Alazraki, 1994

The Dissenting Voice

Martin S. Stabb, 2014-05-23 Political social and aesthetic change marked Latin American society in the years between 1960 and 1985 In this book Martin Stabb explores how these changes made their way into the essayistic writings of twenty six Spanish American intellectuals Stabb posits that dissent against ideology against simplistic notions of technological progress against urban values and even against the direct linear expository style of the essay itself characterizes the work of these contemporary essayists He draws his examples from major canonical figures including Paz Vargas Llosa Fuentes and Cortázar and from lesser known writers who merit a wider readership such as Monterroso Zaid Edwards and Ibarra Engoitia This exploration overturns many conventional assumptions about Latin American intellectuals and also highlights some of the other achievements of authors famous primarily for novels or short stories

Sacred Eroticism Juan Carlos Ubilluz, 2006 Sacred Eroticism addresses a neglected chapter in Latin American literature namely the influence of Georges Bataille and Pierre Klossowski's atheist mysticism in the Latin American erotic novel of the twentieth century Combining a Lacanian analytical framework with an intertextualist approach Juan Carlos Ubilluz reveals how Julio Cortázar Salvador Elizondo Mario Vargas Llosa and Juan García Ponce adopted Bataille and Klossowski's aesthetic and philosophical models as a point of departure to rearticulate the modern subject's buried dimension of the sacred through various innovations on the erotic novel's form Ubilluz examines the dialectical irruption of these literary experiments into their particular aesthetic theoretical and political contexts showing for instance that Cortázar's *Calvino's Combinational Creativity* Elizabeth Scheiber, 2016-02-08 Calvino's Combinational Creativity examines the various ways combinatory processes influence the work of the Italian author Italo Calvino Comprising chapters by six literary scholars the volume asserts that the Ligurian writer's creativity often stems from his contemplation of literature even as it investigates the intersection of his work with poets writers and literary movements Each chapter explores a different aspect of Calvino's creativity Natalie Berkman examines Calvino as a reader of Ariosto and provides an analysis of mathematical combinations inspired by Vladimir Propp in *Il castello dei destini incrociati* Discussing the poetic and scientific influence of the Argentine writer Julio Cortázar on Calvino Sara Ceroni then presents *Palomar* as a modernist work of epiphanies This is followed by two chapters investigating different influences on Calvino's *Cosmicomics* Elio Baldi demonstrates how Calvino's collection of stories appropriates various conventions of the science fiction genre while Elizabeth Scheiber provides a close reading of two tales to show how Calvino uses science as a metaphor to comment on the poetics of Italian authors Gadda D'Annunzio Ungaretti and Montale Cecilia Benaglia then proposes Calvino as a reader of Gadda who served not only as an aesthetic influence but also as an epistemological one Finally juxtaposing Calvino with his contemporary Umberto Eco Sebastiano Bazzichetto examines the two authors' use of figures of speech as ways of constructing labyrinths Calvino's Combinational Creativity takes Calvino studies in new directions as it rethinks how the author's work can be classified and delves into the sources of his inspiration

Concise Encyclopedia of Latin American Literature Verity Smith, 2014-01-14 The Concise Encyclopedia includes all entries on topics

and countries cited by many reviewers as being among the best entries in the book entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some 50 important works in this literature those who read and studied in the English speaking world Encyclopedia of Latin American Literature Verity Smith, 1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book
