Keys to Apologetics Roderick L. Evans, 2025-01-07 This book emphasizes that Christian apologetics is a responsibility for all believers not just a select few It begins with a personal relationship with Jesus and the presence of the Holy Spirit Apologetics involves defending the faith with meekness and fear as mandated by Peter in his first letter Christians must be prepared mentally and spiritually to defend their faith especially in an age of relativism

Revolutionary Mindset Marvin Yoder, 2023-12-05 You re One Thought Away from a Revolutionized Life Do you feel stuck Are you trapped doing the same things over and over Are you tired of not getting that promotion wading through the same old marriage problems or confronting the same bad habits time and time again Do you feel like a hostage to your own thoughts Help is here This book is

For I Desired Mercy Roderick L. Evans, Since the earliest days of Christianity there have been continual doctrinal battles concerning the faith As time passed theologians presented new

theories and revelations concerning God and His word Because of this many are unsure of what to believe and of what is the proper way to approach God in religion and relationship In this series we will reflect on the correlation between religion relationship and righteousness in Christianity Book 1 of 3 **Restoration of Men** Martin C. Roberts,2007-11 For Nations to be Transformed into the Kingdom of God Men Must Become A New Creation In Christ Jesus There Must Be A New Womanhood in Christ There Must Be A Restoration of the Family As God designed it based on the marriage of one man and one woman suitable for each other to bring forth and bring up children in the image and likeness of God By ongoing consistent witness of New Men New Women and New Families communities and then nations are transformed It Must Begin With Men God created the man first then the woman out of the man First Men must become a New Creation In Christ New men not only witness to other men but they witness to women to lift up women and bring then to a New Womanhood in Christ Jesus New Men and New Women in Christ marry to form New Families New families become centers of Christian witness in their neighborhood to transform communities *When Lambs Become Lions* Connie Zeno,2014-05 In *When Lambs Become Lions* Connie Zeno reveals a few erroneous narratives the Body of Christ has been operating under These false narratives have shaped Christianity for decades Resulting in God s people having an incorrect view of who we are Many are the descriptions of God s people but none so prevalent as our identification with lambs and sheep These creatures are docile They are easily led astray They are dependent upon their shepherd for protection and direction For far too long we have let the world around us to tell our story While the whole earth waits for the sons of God to rise up and take their righteous place This message is an end time message for an end time people It s time beloved for the lambs to become lions We are called to be transformers and world changers It s time to roar as lions against all that opposes itself against the will of God the Lord is calling His family back to righteousness He is looking for a people who are willing to live for God no matter what Will you answer the call Global Pentecostalism: An Inquiry into the Cultural Dimensions of Globalization Matthias Deininger,2014-02-01 The rapid global expansion of Pentecostal Christianity is one of the most striking religious phenomena in our contemporary world Today Pentecostalism is by no means some marginal or peculiar denomination within world Christianity It is not simply a niche product in the global religious market but the most dynamic and fastest growing religious movement within the contemporary Christian world From Singapore over Brazil to Ghana Pentecostal Christians are historically and presently rooted in many cultural contexts throughout the world As such Pentecostalism is a religious movement that is both shaped by globalization processes but also a major contributor to the globalization of religion Until recently social scientific approaches to Christianity have often been informed by a rather selective understanding of Christianity stressing its ascetic components premised on a body spirit dualism and seeing its importance mainly as a harbinger of secular modernity Hence where Christianity was studied outside the West it has usually been peripheral and viewed as an alien intrusion undermining local cosmologies However rather than a religious rejection of the world

Pentecostalism accommodates to the world and modernity It transcends locality by promulgating a universal imaginary of the world while at the same time incorporating itself successfully into the socio cultural contexts of any new cultures it encounters The fundamental fluidity of the transnational Pentecostal network is conducive for its flexibility to react on the enormous upheavals and changes in a globalized world and to accommodate to them in constructive ways Thus Pentecostalism can be regarded as a paradigmatic case of a glocalized religion it has the ability to adapt itself to local conditions while maintaining and preserving its distinct religious features at the same time This study focuses on the different theoretical attempts made to explain the massive global expansion of Pentecostalism and its relation to broader processes of globalization It discusses to what extent and in what complex ways the Pentecostal movement is interrelated to processes of cultural globalization By looking at the internal religious characteristics of Pentecostal discourse and discursive practices and their articulations within the external circumstances of globalization it tries to untangle some of the complexities that emerge when theorizing the globalization of Pentecostalism

Permission to Prosper Ray

Edwards,2020-11-03 False beliefs about money so often rob us of our best opportunity to serve God to love people and to steward the wealth He gives us Our cultural programming has embedded deep within us wrong ideas about wealth money and morality These wrong ideas and not greed or avarice are the biggest source of poverty in the world In *Permission to Prosper* Ray Edwards offers three startling premises First God has promised you prosperity Second God has a purpose behind this prosperity and it is not necessarily that you give all your money away And third the practice of prosperity is a spiritual activity Not only do you have permission to prosper but you also have a mandate to multiply *Permission to Prosper* gives you the confidence and the keys to do just that

Teach Me How to Prosper Kynan Bridges,2024-09-10 Move from the Land of Lack to God's Land of Promise The Bible says God has plans to prosper us not to harm us Yet few topics cause as much harm as the topic of prosperity leaving many in the church hurt and confused In this powerful biblically balanced book apostolic leader and pastor Dr Kynan Bridges asks the hard questions about this misunderstood and divisive topic diving into what the Bible truly teaches about prosperity poverty finances and abundance Through piercing Spirit led insight and candid testimonies he helps you lean into God's purpose for prosperity discern between real and false prosperity cooperate with the Spirit of divine increase renounce and overcome poverty in all areas of life experience abundance and the power of blessing prosper in the end times The doorway to your destiny is found on the path to prosperity It's time to step into His supernatural provision advance His kingdom and transform lives
