Organ Orgasms Robert Ian Rollwagen, 2020-06-29 Conscious blood flow CBF is about enhancing our physical mental and spiritual wellbeing through the pleasurable and mindful exercising of your body's internal arteries and organs This is brought about by becoming attuned to your natural abilities to just be and by learning to sense your interior body and then being able to consciously direct and control the flow of your blood And one can orgasm many organs hence the book's title of Organ Orgasms Despite the catchy but true title this book is about the mystery and joy of experiencing one's existence in a unique way an aspect of being and about discovering our bodies and nourishing them so we can experience our lives in the healthiest and longest way possible an aspect of wellbeing Thus Organ Orgasms is

really about being and wellbeing It will enable people no matter what stage they are at in life to see more clearly into themselves and then use the book as a guide in developing their own personal plan for living more joyously and healthily Organ Orgasms is not formulaic or like other self help books but it will help people learn how to take care of themselves better and get them re thinking about their purpose in life and ensure their wellbeing The book is written for the lay reader and includes over 150 extremely useful illustrations Yet it has also been cleverly crafted to meet the needs of the scholarly reader by the use of endnotes and appendices which provide a stunning amount of scientific evidence for how the body brain and mind work to make CBF possible Fishing With Bobby & Mike: Thoughts and Experiences of an Everyman Leo Miltner Jr.,2016-05-03 What is going on here This would be a logical reaction many will have to their first glance at this book The title alone evokes confusion But rest assured a peek inside will reveal the answers to many questions and solutions to life s problems and not just itty bitty ones either Many tough issues are tackled here and Leo tells much of his life s story along the way As the author insists this could be your book your story and as you turn the pages you will see what he means To c
