Makers of the Western Tradition J. Kelley Sowards, 1997-01-15 Through six widely adopted editions *Makers of the Western Tradition* has successfully drawn students into the study of history through a biographical approach to important facts and events In two volumes this book examines the impact of 27 key historical figures while it familiarizes students with varieties of historical sources and interpretation

A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It's often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don't have to deal with the problems it might entail This might be an easier approach but it's not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline After all He is the one who spoke about it in the first place

Our haunted world, Spiritual attacks, and God's protection Dr. Anthony B. Atwam (PhD), 2025-09-22 The struggle for personal success justice freedom righteousness and well-being is a concern of every human being Some liberation movements have rightly located these problems in unjust societal structures such as capitalism colonisation hierarchy human greediness disobedience to God and so on These observations often overlook the impact of the spiritual realm on human life At the global level it leads the world and humanity astray from God-ordained

place in the universe We are wrestling against spiritual powers in all seven gates of society government education arts and entertainment economy media family and religion At the personal level many people do not have peace good health righteousness material prosperity justice and eternal life Most people pay attention to the subject only when they experience it Others dismiss it as myth or unscientific Science does not deal with spiritual issues these belong to the realm of the supernatural which comes under theology or more broadly religion and spirituality The ultimate spiritual protection is from God and He gives it to the righteous People should not be afraid of spiritual attacks One can easily overcome spiritual problems if one faithfully loves God and lives in obedience to God Thus this book examines and contributes to the kind of help people need to understand spiritual attacks how they happen why they happen how God rescues us and what people should do This book is a contribution to a theology of redemption Suffering and God's Redemptive Love Parrish W.

Jones,2014-05-01 Suffering and God's Redemptive Love resulted from conversations Dr Jones had with his wife during her final painful days of dying from cancer Through the Bible they were able to find redemption in the midst of the suffering Jones emphasizes the Jewish Christian theme of Immanuel God with us the Christian theme of incarnation Jones brings out the grand narratives of the biblical literature focusing on personal suffering and God's engagement with us in our suffering to deal with the common conceptions of why people suffer how Job shatters those views the way in which God comes to us suffers with us suffers for us and takes us beyond suffering The final chapter deals with God's Redemptive Love and Ministry to the Suffering seeking to give practical application of the themes of the book Jones added an Epilogue dealing with suffering communities based on his engagement with persons living in extreme poverty in Mexico and Colombia growing out of the testimonies of the people **God's Holy War to Rescue the Messiah** William Selig,2013-12-08 Sun Myung Moon

and Hak Ja Han Moon chose 2010 2013 the 60th anniversary marking the beginning and end of the Korean War to send the Little Angels as patriotic ambassadors to thank the veterans in 22 nations for saving the nation of Korea from the invading communist forces and for rescuing Father Moon from a death sentence in a North Korean concentration camp During this period the Little Angels travelled the equivalent of more than six times around the world More than 20 000 Korean War veterans and their families and over 100 000 people attended the Little Angels events in 22 nations GOD'S HOLY WAR TO RESCUE THE MESSIAH an eyewitness account of the three year period honors the courageous men and women who saved a nation and rescued the Messiah *Kingdom Life Bible: Joining God's Mission to Save the World (NKJV)* Thomas

Nelson,2025-05-06 God is building His Kingdom through you Every person is part of a culture Communities workplaces schools families and churches all have a culture one shaped by the values we celebrate and practice God's kingdom has a culture too one shaped by values and practices that He reveals in His Word The Kingdom Life Bible invites you to explore the part you have to play in building a healthy kingdom culture a calling that you live out as you live in the presence of Jesus our Lord and King Discover the kingdom's values as you read Scripture See how God's kingdom power was at work in the time of

the Bible's writing and continues to work today And develop Holy Spirit led life giving strategies that create kingdom culture and disciple the nations Features include Book introductions that explore how God's kingdom building power is seen in each book in its time and context and continues to be at work today Commentary notes exploring kingdom themes throughout every book of the Bible Sidebars highlighting 14 Kingdom Values throughout Scripture Sidebars exploring six Kingdom Foundations found throughout Scripture More than 20 theological articles exploring key themes of kingdom living Cross references Line matched two column typesetting Clear and readable NKJV Comfort Print Angels Elect and Evil C Fred Dickason, 1995-10-01 What are angels like How many kinds are there Are mental disorders caused by their influence Long favored by scholars this classic has now been rewritten to give us accessible scriptural answers to our questions about the spirit world **God's Viking: Harald Hardrada** Nic Fields, 2020-02-19 An epic historical biography of the Norwegian king who laid claim to the thrones of Denmark and England Harald Hardrada is perhaps best known as the inheritor of seven feet of English soil in that year of fateful change 1066 But Stamford Bridge was the terminal point of a warring career that spanned decades and continents Thus prior to forcibly occupying the Norwegian throne Harald had an interesting and lucrative career in the Varangian Guard and he remains unquestionably the most notable of all the Varangians who served the Byzantine emperors In the latter employment he saw active service in the Aegean Sicily Italy Anatolia Syria Palestine and Bulgaria while in Constantinople he was the hired muscle behind a palace revolution A man of war his reign in Norway was to be taken up with a wasteful vicious and ultimately futile conflict against Denmark a kingdom like England he believed was his to rule We follow Harald's life from Stiklestad where aged fifteen he fought alongside his half brother King Olaf through his years as a mercenary in Russia and Byzantium then back to Norway ending with his death in battle in England Praise for God's Viking A gripping story of the last great Viking who is remembered most for his boast to the Saxons that he had come to conquer their land and ended up with just enough to contain his body Most highly recommended Firetrench *The Winepress of God's Wrath* Steve A. Hamilton, 2021-06-29 Without exception this is the most revealing commentary of the book of Revelation in decades This fresh and historically researched commentary reveals what early Christians had known so many years ago about the apocalypse After 1 900 years present day Christians finally have a reliable document that explains Christ's prophetic book This commentary contains amazing insights One of the main adversaries in the book of Revelation was a prominent historical figure He was known as the savior of the church People looked up to him and worshipped him The apostle Paul called him the man of sin and the son of perdition 2 Thessalonians 2:3 The apostle John in one of his earlier writings called him the Antichrist 1 John 2:18 Those who failed to get their names written in the Book of Life marveled at his presence in eternal punishment Revelation 17:8 That person is identified by name in this commentary Armageddon is more than a great battle in the book of Revelation It is the one defining event that will affect everyone's life The number of combatants is as the sand of the sea Yet the battle will be over before it ever begins Revelation 20:8-9 The bowls of God's

wrath were poured out on a wicked and unsuspecting world Historically a foul and loathsome sore came upon the men who had the mark of the beast and those who worshipped his image Revelation 16 2 This plague was described in detail by writers who lived as it occurred This commentary includes their firsthand accounts The Winepress of God s Wrath depicts God s anger at a wicked society while providing hope and comfort to believers The theme in the book of Revelation is clear the wicked will not escape destruction Only obedient Christians will avoid the winepress of God s wrath
