Protecting The President

Dan Emmett, Charles Maynard

Protecting The President:

Protecting the President Dan Bongino, 2021-01-12 Being a Secret Service agent is one of the most treacherous jobs in the world and never more so than in today's highly polarized America. Facing threats from fence jumpers and manifesto writers and from fanatical terrorists and sophisticated spies, protecting the president is harder than ever. In an age of hyper-partisan politics, emotions are high and crazies are a dime a dozen. On top of that, with international tensions reaching a boiling point, it's harder than ever to determine friend from foe. Yet the President of the United States is in very real danger if the Secret Service doesn't change course soon and evolve with the rapidly changing threat environment. Highly motivated bad guys are already working on technologically advanced methodologies and are constantly striving to formulate the logistics of an attack on the White House. Eventually, terrorist planners will find a way to acquire the technology, weapons, explosives, and know how to make an attempt on the life of the President. The only question is: What are we going to do about it? *Protecting the President* provides not only a rare insider glimpse of what the Secret Service does but explores the challenges facing the agents today. Chock full of relevant stories of protecting past presidents, veteran agent Dan Bongino explains how the agency can best protect the president today. This book covers how the Secret Service should plan for a tactical assault by a terrorist attack team, prepare to respond to a severe medical emergency, train to handle a chemical or biological weapon attack, prepare for an attack using explosives, plan for 9/11 style attacks from the air, and fire threats and much more.

I Am a Secret Service Agent Dan Emmett, Charles Maynard, 2024-05-01 Adapted from *Within Arm's Length* for a younger audience, a rare inside look at the Secret Service from an agent who protected three US presidents. Ever wonder what it would be like to have a job where your life was on the line? Where at any time you might be asked to make the ultimate sacrifice in the line of duty? Dan Emmett was eight years old when President John F. Kennedy was assassinated. From that moment forward, he knew he wanted to become a Secret Service agent, one of an elite group of highly trained men and women dedicated to preserving the life of the president of the United States at any cost. Armed with single-minded determination and a never-quit attitude, he did just that. Selected over thousands of other highly qualified applicants, he was eventually chosen as one of the best of the best and provided protection worldwide for presidents George H. W. Bush, Bill Clinton, and George W. Bush. *I Am a Secret Service Agent* depicts the crucial duties and challenges of this extraordinary job, from conducting presidential advances to driving the president in a bulletproof limousine to flying with him on Air Force One. With fascinating anecdotes, Emmett weaves keen insight into his account of the unique culture and history of the Secret Service. *I Am a Secret Service Agent* is a must-read for young adults interested in a career in federal law enforcement. Praise for *I Am a Secret Service Agent*: This firsthand introduction to the Secret Service is a valuable addition for those interested in law enforcement. *School Library Journal*

Protecting The President Introduction

In the digital age, access to information has become easier than ever before. The ability to download Protecting The President has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Protecting The President has opened up a world of possibilities. Downloading Protecting The President provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Protecting The President has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Protecting The President. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Protecting The President. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Protecting The President, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Protecting The President has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
