Quinientos años no se cumplen todos los días Con la publicación de este libro la Asociación para la Educación Teológica Hispana AETH se une a la conmemoración de los 500 años de la Reforma protestante En este proyecto ha participado un equipo de reconocidos líderes cristianos de América Latina y el Caribe con amplia trayectoria docente y en general en el quehacer teológico contextual y la tarea pastoral Pero conmemorar no es lo mismo que celebrar Quien celebra no hace reflexión crítica ni busca cambios sino que sencillamente se regocija en lo que aconteció Quien conmemora debidamente no se queda en la celebración sino que se mueve más allá de ella de tal manera que lo que aconteció en el pasado pueda ser guía y aguijón en el presente Al cumplirse los 500 años de la Reforma protestante en el siglo XVI por todas partes hay celebraciones concentraciones populares y palabras entusiastas acerca de lo que sus líderes hicieron en aquellos días Pero con eso no basta La historia la buena historia no se escribe solamente desde el pasado sino también desde el presente que vivimos y a partir del futuro que esperamos El presente en América Latina requiere una reflexión teológica profunda y un compromiso inquebrantable El protestantismo en América Latina: La situación del protestantismo en los países latino-americanos Prudencio Damboriena,1962 *Evangelización protestante en América Latina* Arturo Piedra,2005
