Proud To Be:

Proud to Be a Tidwell Carolyn Hansen Tidwell, 2015-12-03 My earlier book called *Achieving Failing* showcased my life through the years until my children became adults This book starts with their adult life and continuing through the life and life choices of their children and grandchildren **Why I Am So Proud to Be a Black Man** Michael, Ms. C, 2013-03 In the beginning when God created the black man He gave all his wisdom to his first creations without boundaries and fears Unfortunately for far too long black men have been portrayed negatively in our society and by the daily rhetoric that surrounds us In their comprehensive study compiled with facts stories and historical experiences husband and wife team Mr Michael and Ms C illustrate to all black men that they should no longer feel degraded but instead be bursting with pride about their heritage Beginning with essays on life in Africa and the movement of the black man to the United States Mr Michael and Ms C transition into issues concerning the contemporary African American community providing a glimpse into the truth they hope will help black men gain a clearer vision of their race others and our planet By encouraging black men to face racial hatred and demand respect Mr Michael and Ms C lay a foundation intended to help all black men find the purpose of their existence Also included are biographies of famous black men who overcame obstacles and changed the world **Why I Am So Proud to Be a Black Man** shares the knowledge that can open the eyes minds and hearts of the African American community enabling all to embrace God's first primal purpose **365 Reasons to be Proud to be Scottish** Richard Happer, 2013-10-08 365 Reasons To Be Proud To Be Scottish is a year long scenic route of jollyness taking in the quirky events inventions traditions people places and characters that make Scotland a country worth celebrating every day of the year Has there ever been a more eccentric creative inventive and passionate race than the Scottish We don't think so and 365 Reasons To Be Proud To Be Scottish proves it brilliantly In the book you'll find a historical year's worth of the discoveries delights and derring do that make Scotland a place to love and cherish a place of wonder and a country that attracts 13 million people through its doors each year From the hallowed halls of St Andrews University the first in Scotland and in 2013 celebrating its 600th birthday to the glorious slopes of Edinburgh's streets from the magical monster myths of loch landscapes to the ancient highland whisky makers from inventors Alexander Graham Bell to brave knights such as William Wallace Scotland is amazing every single day of the year ***Proud to Be a Daughter of God*** Bonnie Christler Cox, 2010-08-10 A simple ride to borrow a pickup from my family changed all the lives of our family in one short second We were hit by a drunk driver and taken to the hospital I had such extensive injuries that it was determined I should be flown by emergency helicopter to a hospital where a team of orthopedic surgeons would be waiting for me Before I left I was given a blessing and promised the Lord wanted to heal me quickly Those words gave me strength Once arriving at the hospital I wanted to block it all out because it was too much for me to handle I would talk to my loved ones coherently but I didn't want to talk to anyone else I closed my eyes and wanted to wake up after it was all over A nurse finally got through to me that I'd die if I didn't

cooperate with them and I joined the fight It took all my effort to simply stay alive I found strength in Bible stories my faith and blessings After many surgeries I went from intense pain to discomfort Then I had to face a depression that went from gentle tears and sobs to deep moans and groans I could feel my babys arms around my neck and heard him call for me and I couldnt move I saw my children and my husband and tears flowed nonstop Finally I was able to move again and the depression faded almost instantly I started moving my arms and I progressed to be able to ring the nurses buzzer In the next few days I sat up for the first time stood up and started taking steps with support It wasnt an easy process My muscles had completely atrophied My head swirled like being on a tilt a whirl With the help of a physical therapist I was walking with minimal support quickly However next I needed to put weight on my arms to get out of bed Muscles were attached to scar tissue and Id get terrible cramps It was like starting all over again but with blessings and my physical therapist and orthopedic surgeon who was never happy until he made me whole I survived I was told Id be in the hospital six months to a year I left short of two and a half months I was very weak but I was going home
