Proud To Be An American Songbook:

The Great American Songbooks T. Austin Graham, 2013-01-31 In the late nineteenth and early twentieth centuries American authors pioneered a mode of musical writing that quite literally resounded beyond the printed page Novels gained soundtracks poetry compelled its audiences to sing and the ostensibly silent act of reading became anything but The Great American Songbooks is the story of this literature at once an overview of musical and authorial practice at the century's turn an investigation into the sensory dimensions of reading and a meditation on the effects that the popular arts have had on literary modernism The writings of John Dos Passos Theodore Dreiser T S Eliot F Scott Fitzgerald Langston Hughes Jean Toomer and Walt Whitman are heard in a new key the performers and tunesmiths who inspired them have their stories told and the music of the past long out of print and fashion is recapitulated and made available in digital form A work of criticism situated at the crossroads of literary analysis musicology and cultural history The Great American Songbooks demonstrates the importance of studying fiction and poetry from interdisciplinary perspectives and it suggests new avenues for research in the dawning age of the digital humanities

So You Want to Sing Cabaret David Sabella, Sue Matsuki, 2020-07-09 Cabaret performances are often known for bringing alive the Great American Songbook from the 1920s through the 1950s for contemporary audiences. But modern day cabaret does much more than preserve the past; it also promotes and fosters the new generation of American composers and creates a uniquely vibrant musical and theatrical experience for its audiences. *So You Want to Sing Cabaret* is the first book of its kind to examine in detail the unique vocal and nonvocal requirements for professional performance within the exciting genre of cabaret. With a foreword by cabaret legend Lorna Luft, *So You Want to Sing Cabaret* includes interviews from the top professionals in the cabaret industry including Michael Feinstein, Ann Hampton Callaway, Roy Sander, Sidney Myer, Jeff Harner, and many others. There are also chapters devoted to crafting your show, lyric connection, do it yourself production and promotion, and working with your musical team. David Sabella and Sue Matsuki have crafted the perfect one volume resource for both the aspiring cabaret singer and the singing teacher who seeks to learn more about this unique art form. The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing. Like all books in the series, *So You Want to Sing Cabaret* features online supplemental material on the NATS website. Please visit www.nats.org to access style specific exercises, audio and video files, and additional resources.

The Taylor Mac Book David Roman, Sean Edgecomb, 2023-02-13 This is the first book to dedicate critical attention to the work of influential theater maker Taylor Mac. Mac is particularly celebrated for the historic performance event *A 24 Decade History of Popular Music* in which Mac, in fantastical costumes designed by collaborator Machine Dazzle, sang the history of the United States for 24 straight hours in October 2016. The MacArthur Foundation soon thereafter awarded their genius award to a writer, director, actor, singer, and performance artist whose fearlessly experimental works dramatize the power of theater as a space for building community and who interacts with the audience to inspire a reconsideration of assumptions about gender identity, ethnicity, and performance itself. Featuring essays, interviews, and commentaries by noted critics and artists, the volume examines the vastness of Mac's theatrical imagination, the singularity of their voice, the inclusiveness of their cultural insights and critiques, and the creativity they display through stylistic and formal qualities and the unorthodoxies of their personal and professional trajectories. Contributors consider the range of Mac's career as a playwright, performer, actor, and singer, expanding and enriching the conversation on this much celebrated and deeply resonant body of work.

Martin Scorsese Vincent LoBrutto, 2007-11-30 Martin Scorsese's current position in the international film community is unrivaled, and his name has become synonymous with the highest standards of filmmaking excellence. He is widely considered America's best living film director, and his *Taxi Driver* and *Raging Bull* appear

frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist's life Vincent LoBrutto traces Scorsese's Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker's humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese's intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In *Martin Scorsese: A Biography* readers can examine not only the work of one of the form's genuine artists but also the forces that have propelled the man behind it

War and Death in the Music of George Crumb Abigail Shupe, 2022-09-02 This book studies George Crumb's *The Winds of Destiny* 2004 and *Black Angels* 1970 as artifacts of collective memory and cultural trauma It situates these two pieces in Crumb's output and unpacks the complex methodologies needed to understand these pieces as contributions and challenges to traditional narratives of the Civil War and the Vietnam War *The Winds of Destiny* is shown to be a critical commentary on the legacy of American wars and militarism both concepts crucial to American identity *The Winds of Destiny* also acts as an ironic war memorial as a means of critiquing such concepts *Black Angels* has long been associated with the Vietnam War This book shows how this association began and how it endures through connections to iconic Vietnam War media including films and books Together these analyses show the legacy of trauma in American collective memory which is in a continuous crisis Crumb's musical critiques point to a need to resist conventional narratives and to begin to heal trauma on a collective level This book will be of interest to students of contemporary American music American studies and memory studies It benefits readers by newly situating Crumb's music within these three fields of study
