Proud Youth:

On Strength Nicholas J. Pappas, 2012 What is strength This book ponders various facets of strength in a philosophical dialogue that probes the meaning of character and values what is worth fighting for and why what it means to be a true friend how to know when it is right to stand up to others what it means to be strong and how to gain strength in our convictions in sum what it means to be strong and how to find and train our own inner strength Is real strength as obvious as it seems Does it require more strength to act or to hold yourself from acting Why do you need it Where does truth come into play and how do we know truth when we see it How do heart soul and mind figure into things and where do our gut feelings come from Can you be strong when you are at odds with yourself In this Dialogue Father and Director coach Youth who has just been bloodied by a bully Having stood for what he felt was right it was a technical win but left Youth questioning himself He can build physical strength readily enough but it is not merely physical strength he needs His journey is about finding the right kind of confidence the right kind of strength a trickier business but all the more worthwhile **Pride** Michael Eric Dyson, 2006-02 Michael Eric Dyson here looks at the many dimensions of pride Ranging from Augustine and Aquinas MacIntyre and Hauerwas to Niebuhr and King Dyson offers a multifaceted look at this virtuous vice He probes the philosophical and theological roots of pride in examining its transformation in Western culture BOOK JACKET
