Provincial Politics In Canada Towards The Turn Of The Century

David J. Wishart

Provincial Politics In Canada Towards The Turn Of The Century:

Executive Styles in Canada Luc Bernier, Keith Brownsey, Michael Howlett, 2015-05-07 Canada's political regime is centred on the existence of a federal system of government within the institutions of Westminster parliamentary democracy. This system places a great deal of political power in the hands of cabinet ministers and while cabinet systems of government in Canada have evolved at different speeds in different federal and provincial governments they have over the last two decades increased centralization of administrative and legislative control in ever fewer hands. This shift has been well demonstrated by scholars such as Donald J. Savoie regarding the federal system but little examined in the context of provincial governance. *Executive Styles in Canada* places equal emphasis on both levels explaining how and in what way cabinet systems have conformed to or diverged from this general pattern. This unique collection is the only systematic cross provincial study of its kind and is certain to be of great benefit to anyone interested in the structure of government in Canada. *Encyclopedia of the Great Plains* David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging and intended encyclopedia of this important region. Their objective was to give definition to a region that has traditionally been poorly defined and they have. **In Search of Canadian Political Culture** Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture, the centrist political culture of Ontario, Red Toryism in the Maritimes or Prairie socialism? What historical, geographical and sociological factors came into play as these cultures were forged? In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture. The most thorough review of the national political ethos written in a generation. *In Search of Canadian Political Culture* offers a bottom up regional analysis that challenges how we think and write about Canada. Manitoba Premiers of 19th and 20th Centuries Barry Ferguson, Robert Alexander Wardhaugh, 2010 Annotation The province's history of religious, linguistic, ethnic and class conflict which has often drawn the entire country into its battles is revealed in the biographies of the Premiers. **Governance and Public Policy in Canada** Michael M. Atkinson, Gregory P. Marchildon, Peter W. B. Phillips, Kenneth A. Rasmussen, Daniel Béland, Kathleen McNutt, 2013-01-01 *Governance and Public Policy in Canada* lays the foundation for a systematic analysis of policy developments shaped as they are by multiple players, institutional tensions and governance legacies. Arguing that provinces are now the most central site of governance and policy innovation, the book assesses the role of the provinces and places the provincial state in its broader economic, institutional, social and territorial context. The aim throughout is to highlight the crucial role of provinces in policy changes that directly affect the lives of citizens. Three key themes unify this book. First it addresses the role of policy convergence and divergence among provinces. Although the analysis acknowledges enduring differences in political culture and institutions it also points to patterns of policy diffusion and convergence in specific areas in a number of provinces. Second the book explores the push and pull between centralization and decentralization in Canada as it affects intergovernmental relations. Third it underscores

that although the provinces play a greater role in policy development than ever before they now face a growing tension between their expanding policy ambitions and their capacity to develop fund implement manage and evaluate policy programs Governance and Public Policy in Canada describes how the provincial state has adapted in the context of these changing circumstances to transcend its limited capacity while engaging with a growing number of civil society actors policy networks and intergovernmental bodies *The Politics of Ontario* Cheryl N. Collier,Jonathan Malloy,2017-01-01 *The Politics of Ontario* is the first comprehensive book on Ontario s politics government and public policy since Graham White s *The Government and Politics of Ontario* in 1997 *The Limits of Participation* Faron Ellis,2005 *The Limits of Participation* Members and Leaders in Canada s Reform Party provides an historical account of the Canadian Reform Party which shattered the established pattern of Canadian party politics in the late twentieth century Faron Ellis provides an analysis of the party s development as it struggled to build an organization capable of bridging the policy demands of its members with the strategic plans of its leaders The book examines the party from the perspective of its members by focusing on the opinion structure of activists who helped found Reform build it into Canada s official opposition and eventually decommission it in pursuit of power *The Public Sector in an Age of Austerity* Bryan M. Evans,Carlo Fanelli,2018-07-23 Following the 2008 global financial crisis Canada appeared to escape the austerity implemented elsewhere but this was spin hiding the reality A closer look reveals that the provinces responsible for delivering essential public and social services such as education and healthcare shouldered the burden *The Public Sector in an Age of Austerity* examines public sector austerity in the provinces and territories specifically addressing how austerity was implemented what forms austerity agendas took from regressive taxes and new user fees to public sector layoffs and privatization schemes and what if any political responses resulted Contributors focus on the period from 2007 to 2015 the global financial crisis and the period of fiscal consolidation that followed while also providing a longer historical context austerity is not a new phenomenon A granular examination of each jurisdiction identifies how changing fiscal conditions have affected the delivery of public services and restructured public finances highlighting the consequences such changes have had for public sector workers and users of public services The first book of its kind in Canada *The Public Sector in an Age of Austerity* challenges conventional wisdom by showing that Canada did not escape post crisis austerity and that its recovery has been vastly overstated *Conservatism in Canada* James Farney,David Rayside,2013-01-01 *Conservatism in Canada* explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels **Canadian Political Culture(s) in Transition** Hamish Telford,Harvey Lazar,2002 *Canada The State of the Federation 2000 01* probes beneath the surface to determine if the obvious changes the fractious federal party system the common sense revolution in government budgeting the re birth of the sovereignty movement in Quebec and the re assertion of Aboriginal claims are symptomatic of a shift in Canadian political

culture Arguably political changes in Canada have been greater in the 1990s than in any other decade since Confederation but do these changes signify a shift in Canadian political culture Can we even speak of a Canadian political culture What are the consequences of these changes for the federation Are Canadians more or less united Are federal provincial relations better or worse What does the future hold The authors attempt to answer these questions through analyses of the federal party system politics in the provinces and regions and political dynamics in a number of issue areas including Aboriginal politics the Charter multiculturalism the rural urban cleavage and social policy

If you ally compulsion such a referred **Provincial Politics In Canada Towards The Turn Of The Century** book that will provide you worth, acquire the agreed best seller from us currently from several preferred authors. If you want to funny books, lots of novels, tale, jokes, and more fictions collections are also launched, from best seller to one of the most current released.
