America's Forgotten Constitutions Robert L. Tsai, 2014-04-29 Robert Tsai's history invites readers into the circle of defiant groups who refused to accept the Constitution's definition of who We the People are and how their authority should be exercised It is the story of America as told by dissenters squatters Native Americans abolitionists socialists internationalists and racial nationalists **Annual Reports of Officers, Boards and Institutions of the Commonwealth of Virginia** Virginia, 1859 **Papers relating to the foreign relations of the United States** , 1860 , **Martin Delany, Frederick Douglass, and the Politics of Representative Identity** Robert S. Levine, 2000-11-09 The differences between Frederick Douglass and Martin Delany have historically been reduced to a simple binary pronouncement assimilationist versus separatist Now Robert S Levine restores the relationship of these two important nineteenth century African American writers to its original complexity He explores their debates over issues like abolitionism emigration and nationalism illuminating each man's influence on the other's political vision He also examines Delany and Douglass's debates in relation to their own writings and to the work of Harriet Beecher Stowe Though each saw himself as the single best representative of his race Douglass has been accorded that role by history while Delany according to Levine has suffered a fate typical of the black separatist marginalization In restoring Delany to his place in literary and cultural history Levine makes possible a fuller understanding of the politics of antebellum African American leadership *The American Conflict* Horace Greeley, 1864 A history of the Great Rebellion in the United States of America 1860-65 its causes incidents and results intended to exhibit especially its moral and political phases with the drift and progress of American opinion respecting human slavery from 1776 to the close of the war for the Union T p *Abridgment ...
