Provoking The Power:

Negotiating Sexual Identities J. Alicia Dueck, 2012 As one of the first studies of its kind this book brings together the personal alongside complex theoretical concepts in order to explore lesbian gay bisexual transgender and queer LGBTQ identities within the Mennonite religious culture Applying performativity the book re examines the meaning of identity in this ethno religious community as well as the way in which sexuality is talked about in churches and within institutions It examines how lesbian gay and queer persons negotiate with these heteronormative discourses to be Mennonite This is an important book for religious scholars and those concerned with queer identifications Series Masters of Peace Vol 6

Uncareful Lives Jim Albright, 2015-05-21 Come Jesus Christ Matthew 14 29 It s God s invitation into the uncareful life a life of courageous faith Come and see how awesome He is Come and see who you re supposed to be Christian our God is God You can do all He says because He will do all He says He is your license to live your faith as big as you dare He is your liberty to embrace a life big with God pleasing God encountering faith He is your freedom to wholeheartedly engage in fully persuaded never look back no risk is too great glad fearless joy obedience Come on you know you want to You know you ve always wanted to ever since you heard Him whisper Follow Me What are you waiting for Whatever it is it s a lie Warning Reading this book can be hazardous to your health And your wealth And your plans And more Read it and you may find that you begin to live a more uncareful life for the glory of God Don Whitney

Why Nations Fight Richard Ned Lebow, 2010-09-02 Four generic motives have historically led states to initiate war fear interest standing and revenge Using an original data set Richard Ned Lebow examines the distribution of wars across three and a half centuries and argues that contrary to conventional wisdom only a minority of these were motivated by security or material interest Instead the majority are the result of a quest for standing and for revenge an attempt to get even with states who had previously made successful territorial grabs Lebow maintains that today none of these motives are effectively served by war it is increasingly counterproductive and that there is growing recognition of this political reality His analysis allows for more fine grained and persuasive forecasts about the future of war as well as highlighting areas of uncertainty

The Treasury of David Spurgeon, 1990 Charles Haddon Spurgeon the Prince of Preachers composed and polished The Treasury of David over the span of nearly half his ministry This incomparable commentary and omnibus on the Psalms has been prized by Christians ever since Spurgeon s own commentary on every verse of the Psalms is extremely insightful and by itself it quite rich In The Treasury of David you will also find a wealth of illuminating extracts and quotes from hundreds of commentators contemporaries of Spurgeon as well as the great Puritan expositors of the seventeenth and eighteenth centuries Homiletical hints on almost every verse concise sermon outlines provocative seed thoughts as well as useful bibliographies and an index of authors offer practical help for preaching and teaching Whether you are teaching on the Psalms studying them for personal devotions or simply intrigued by the writings of Spurgeon you ll enjoy this splendid classic Charles Haddon

Spurgeon served for thirty years as preacher and pastor of London's six thousand seat Metropolitan Tabernacle which his growing congregation opened in 1861 His writings including thousands of sermons are still popular with pastors and devotional readers
