Ps Longer Letter Later A Novel In Letter:

P.S. Longer Letter Later Paula Danziger, Ann M. Martin, 2018-09-25 Twelve year old best friends Elizabeth and Tara Starr continue their friendship through letter writing after Tara Starr's family moves to another state in a complex and emotionally rich novel about two friends coping with overwhelming change **P.S. Longer Letter Later** Paula Danziger, Ann M.

Martin, 1999 Tara Starr loves being the centre of attention and is the only child of young parents Elizabeth is quiet and shy and lives in a house where possessions are more important than feelings When Tara Starr moves away they keep their friendship by writing letters Then life changes for both of them **P S Longer Letter Later** Paula Danziger, Martin

Danziger, 1998 Alternating Narratives in Fiction for Young Readers Perry Nodelman, 2017-04-17 This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters It asks if you make sense of fiction by identifying with one main character how do you handle two or more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults Ann M. Martin Marylou Morano Kjelle, 2013-11 When Ann M Martin was asked to write the first four Baby

sitters Club books in 1985 she had no way of knowing she was about to change the face of children's publishing *Creating Writers* James Carter, 2002-02-07 This unique and comprehensive text offers an original approach to teaching creative writing by exploring ideas giving advice and explaining workshop activities and has many contributors from some of today's most popular children's authors including Jacqueline Wilson Roger McGough Philip Pullman Malorie Blackman and David Almond *Creating Writers* is a practical writing manual for teachers to use with upper primary and lower secondary level pupils that covers poetry fiction and non fiction Using Literature to Help Troubled Teenagers Cope with Identity Issues

Jeffrey S. Kaplan, 1999-11-30 The search for one's identity is an ancient quest reflected throughout history in stories where human glory and conquest are often layered with great pain and self doubt meant to help people discover themselves and who they are Today this quest is found prevalently in young adult novels where characters wrestle with modern dilemmas in order to find themselves This reference resource provides a link for teachers media specialists parents and other adults to those novels and how to use them effectively Educators and therapists explore the literature where common identity issues are addressed in ways intriguing to teens Using fictional characters these experts provide guidance on how to encourage adolescents to cope while improving their reading and writing skills Twelve novels are examined from both a literary and psychological perspective allowing the readers to meet the central figures as if they were living human beings Each chapter is written by a literature specialist who has teamed up with a therapist and confronts a different identity issue examining

such dilemmas as body image the father son relationship bigotry and peer relations This pair of experts tries to define the central character s struggle in each novel to discover who they are and to become self actualized individuals Each chapter also provides an annotated bibliography of other works both fiction and nonfiction that explore these same issues to give readers not only the insight into helping teenagers with similar problems but also the tools with which to get teenagers reading and addressing these problems This innovative approach is meant to provide the opportunity for adults and adolescents to better understand each other

The Oxford Companion to Children's Literature Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns

Naked Reading Teri S. Lesesne, 2006 Teri draws on her extensive experience as a teacher and consultant to examine ways that educators can help interest kids in books and keep them reading during this crucial period
