Binz, 2017-06-15 Catholics are often reluctant to begin reading the Bible this is for various reasons Perhaps we hang on to the notion that the Bible is a book meant for display for recording the dates of family members births baptisms marriages and deaths Or perhaps we once attempted to read the Bible and discovered there a culture entirely different from ours and came to the conclusion that the Bible had nothing relevant to say to us in this place and time Attentive to these and the many other reasons Catholics might give for not reading Scripture Stephen Binz offers practical explanations that will make the Bible less foreign and more familiar Introduction to the Bible allows readers to discover how the Bible came to be how to choose a Bible translation how to interpret the Bible within Catholic tradition and how to benefit the most from Bible study Readers will find practical explanations that will make the Bible less foreign and more familiar Stephen J Binz is a Catholic biblical scholar speaker and counselor He did graduate studies at the Pontifical Biblical Institute in Rome and is a member of the Catholic Biblical Association and the Society of Biblical Literature Binz is the author of numerous books on the Bible including The Passion and Resurrection Narratives of Jesus and The God of Freedom and Life both published by Liturgical Press *Little Rock Catholic Study Bible* Catherine

The Roman Catholic Lectionary and the Bible Mark G. Boyer, 2024-06-28 The bishops attending the Second Vatican Council 1962-1965 decreed that the treasures of the Bible were to be opened for Roman Catholics by presenting a larger part of the Bible over three years The first one volume Lectionary a collection of biblical texts appointed for worship on given days what ultimately became four volumes plus a supplement in English was published in Latin on September 30 1970 The result of people seeing four volumes consisting of more pages than most Bibles was the erroneous thinking that they heard read the whole Bible every three years The Lectionary edits the Bible Biblical topics offensive to modern readers are omitted Powerful biblical women are ignored Biblical prophetic books are chopped by piecing together verses There is no application of modern biblical analysis The biblical passages presented in the Lectionary have been chosen to fit the liturgical year even though the liturgical year did not exist when the Bible was written The purpose of this book is to present some sobering statistics about the biblical texts found and not found in the Roman Catholic Lectionary reach conclusions about them and suggest alternate biblical texts for use in the Lectionary

Scripture Ronald D. Witherup, 2006 This book describes the history of the Dogmatic Constitution on Divine Revelation its content its importance and how it has helped to direct the future of Roman Catholic biblical studies
