Psalms Volume 2:

Psalms : Volume 2 (Teach the Text Commentary Series) C. Hassell Bullock, 2017-12-05 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text.

Psalms : Volume 2 (Baker Commentary on the Old Testament) John Goldingay, 2007-11-01 Explore the contemporary significance of the Old Testament and hear the Word of God afresh. This is the second of a three volume commentary on the Psalms combining literary, historical, grammatical, and theological insight in a widely accessible manner. One of today's foremost experts on biblical theology, John Goldingay, covers Psalms 42-89 with his own translation of each passage followed by interpretive comments and theological implications. In addition to paragraph level commentary, all volumes of the Baker Commentary on the Old Testament series feature a fresh translation of the Hebrew text, incisive comments based on the author's translation, linguistic, historical, and canonical insights, concluding reflections, footnotes addressing technical matters. Pastors, teachers, and all serious students of the Bible will find here an accessible commentary that will serve as an excellent resource for their study. The book of Psalms is the literary sanctuary, a holy place where humans share their joys and struggles with brutal honesty in God's presence, writes Tremper Longman III, editor of the Baker Commentary on the Old Testament Wisdom and Psalms series.

Psalms George A. F. Knight, 1983-01-01 In presenting the last half of the Psalter, George A. F. Knight discusses the meaning of the Psalms in the Old Testament, their application in the New Testament, and their challenge for today's readers. Psalms 73 to 150 belong to the later period of Israel's experience of God's steadfast love, recalling the story of how ordinary sinful people responded in both faith and denial to God's actions. Now reflecting on the Psalms with the help of this exciting commentary, the reader can glimpse the total pattern of God's redemptive plan as it unfolded and as it has continued throughout history. Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.
