Pseudonymity The New Testament And Deception An Inquiry Into Intention And Reception:

Pseudonymity, the New Testament, and Deception Terry L. Wilder, 2004 In *Pseudonymity the New Testament and Deception* Terry Wilder provides a fresh answer to a vital question for New Testament studies If pseudonymous letters exist in the New Testament what can be said about their intention and reception The author's analysis of this New Testament issue leads to a conclusion that impacts both exegesis and canonicity

The Reception and Interpretation of the Bible in Late Antiquity Lorenzo DiTommaso, Lucian Turcescu, 2008 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments Its twenty five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism They focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical social and theological requirements Since the Bible was by far the most important book during these centuries a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation

1-3 John (Baker Exegetical Commentary on the New Testament) Robert W. Yarbrough, 2008-11-01 Robert Yarbrough coauthor of the bestselling *Encountering the New Testament* offers a historical and theological commentary on the Johannine Epistles in this new addition to the BECNT series The commentary features the author's detailed interaction with the Greek text explores the relationship between John's Epistles and Jesus's work and teaching interacts with recent commentaries is attentive to the history of interpretation and seeks to relate these findings to global Christianity

A Prolegomenon to the Study of Paul Patrick Hart, 2020-04-14 A Prolegomenon to the Study of Paul examines foundational assumptions that ground all interpretations of the apostle Paul This examination touches on several topics invoking issues pertaining to truth hermeneutics canonicity historiography pseudonymity literary genres and authority Underlying all of this is a guiding thesis namely that every encounter with Paul involves Pauline Archimedean points or fixed points of reference that establish the measure for constructing any interpretation of Paul whatsoever Building on this the author interrogates various issues that inform the formation of these Pauline Archimedean points in pursuit of an important but modest goal to urge Pauline readers to engage in a modicum of self reflection over the various considerations that precondition all of our efforts to comprehend Paul

The Making of the New Testament Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of *The Making of the New Testament* is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and

pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh **Portrait of an Apostle** Gregory S.

MaGee,2013-09-24 In *Portrait of an Apostle* Greg MaGee explores the claim that Colossians and Ephesians are works of forgery that use Paul's authoritative status to gain a hearing This hypothesis is so often restated in recent scholarship that it is arguably the default position in the field even though the theory is relatively untested MaGee argues that such a view does not stand up to close scrutiny Unsuccessful attempts to imitate Paul usually flounder in their portrayals of Paul as is evident with the pseudepigraphal Epistle to the Laodiceans and 3 Corinthians Such is not the case with Colossians and Ephesians This book attempts to demonstrate that interpretations based on the assumption of Paul's authorship of Colossians and Ephesians are consistently superior to interpretations positing that an admirer of Paul wrote the letters *The Letters of Paul as Rituals of Worship* John Paul Heil,2012-06-28 In this interpretation of the corpus of the thirteen New Testament letters attributed to Paul Heil establishes a connection between communal worship and the New Testament The author focuses on the key theme of worship understanding it in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The reader is offered a fresh way of reading and listening to the letters of Paul for a deeper understanding of their original purpose and message **Entrusted with the Gospel** Andreas J. Köstenberger,Terry L. Wilder,2010-04-01 After a lengthy period during which scholars paid relatively little attention to the Pastoral Epistles a spate of studies has suddenly appeared in print However except for a small number of commentaries critical scholars have by and large neglected evangelical scholarship on these letters To fill in this gap this volume offers a collection of important essays written by evangelicals on 1 Recent Study in the Pastoral Epistles Andreas K

the different attested endings date back to Eusebius Ad Marinum in the fourth century Responding to the apparent discrepancy between the timing of the resurrection in Matthew and Mark Eusebius notes one may solve the difficulty in one of two ways either ignore the passage on the basis of the manuscript evidence or harmonize the two passages Unfortunately Eusebius comments are all too often viewed through the lens of the modern text critical endeavor and for that reason his intent has largely been missed This volume argues that Eusebius double solution can be read as recognizing the authority of both the Longer and the Abrupt conclusions to Mark s Gospel The solution represents his ecumenical synthesis of those authors who preceded him the faithful and pious from whom the Scriptures have been received Only with this understanding of the double solution may we fully appreciate Eusebius dual reception which is indicative of a different approach to the issue one that prioritizes the question of reception over authorship and one that is comfortable affirming a pluriform canon
