increased steadily Two extra pages had been added Moments Among the Shoppers and Moments with Society And the advertisements had grown in volume But the work had told upon the Editor Work of that sort carries its penalties with it Success means absorption and absorption spells softening of the brain Whether it was the strain of digging into the literature of the past every week or the effort of reading B Henderson Asher s Moments of Mirth is uncertain At any rate his duties combined with the heat of a New York summer had sapped Mr Wilberfloss s health to such an extent that the doctor had ordered him ten weeks complete rest in the mountains This Mr Wilberfloss could perhaps have endured if this had been all There are worse places than the mountains of America in which to spend ten weeks of the tail end of summer when the sun has ceased to grill and the mosquitoes have relaxed their exertions But it was not all The doctor a far seeing man who went down to first causes had absolutely declined to consent to Mr Wilberfloss s suggestion that he should keep in touch with the paper during his vacation He was adamant He had seen copies of Cosy Moments once or twice and he refused to permit a man in the editor s state of health to come in contact with Luella Granville Waterman s Moments in the Nursery and B Henderson Asher s Moments of Mirth The medicine man put his foot down firmly **Psmith, Journalist** PG
