Psychiatry Specialty Board Review:

Neurology For The Psychiatry Specialist Board Leon A. Weisberg, 2013-01-11 This new edition of Neurology for the Psychiatry Specialty Board Review provides an accurate and comprehensive review of the most frequently encountered topics in the field of clinical neurology and neuroscience The second edition features all new questions and provides answers and explanations that are referenced to standard textbooks It offers a varied testing format including clinical vignettes and matching true false and multiple choice questions The author consulted with medical students and faculty on incorporating new material Neurology for the Psychiatry Specialty Board Review Second Edition is a thorough and indispensable tool for preparing for the board certification or re certification examination in psychiatry or neurology for in service training examinations or simply as a test of the reader's knowledge of the field

Psychiatry Specialty Board Review For The DSM-IV John Duffy, J. Bryce McLaulin, 2013-10-28 This volume has been updated and revised to reflect all applicable diagnostic categories of the DSM IV as well as recent advances in psychopharmacology Over 600 challenging questions covering material most likely to be found on the board examination are included reflecting current theory and practice in child and adolescent psychiatry psychopathology psychopharmacology and other selected topics Software includes randomized question sequence immediate viewing of score results instant searches on specific topics and more

Child and Adolescent Psychiatry for the Specialty Board Review Hong Shen, Robert Hendren, 2014-09-10 This new thoroughly revised edition of Child and Adolescent Psychiatry for the Specialty Board Review offers updated information along with the most recent references and knowledge reflected in those changes The authors especially incorporate new information and changes from DSM 5 Both general and child adolescent psychiatrists will find this new edition invaluable not only as a guide for preparing for their first successful Board examination but also as a review in preparing for important re certification exams The book includes hundreds of multiple choice questions modeled after the types of questions on the actual boards This challenging update with new references and more relevant questions will help readers to learn new information and be better prepared for their board examinations Because the authors rewrote the majority of questions to cover a broader knowledge base readers may find it useful to use the 4th edition as a companion book of the 3rd edition

Child and Adolescent Psychiatry for the Specialty Board Review Caitlin Costello, Lauren Schumacher, 2023-12-08 This new thoroughly revised fifth edition of Child and Adolescent Psychiatry for the Specialty Board Review offers a comprehensive study guide of child psychiatry New authors incorporate the latest evidence based content while still offering the questions and detailed answers format of previous editions Part I includes chapters covering normal development diagnostic categories treatments and special issues whilst Part II includes new case problems that test knowledge of assessment and treatment planning This book includes hundreds of multiple choice questions modelled on board examination questions and includes references from leading textbooks providing a comprehensive review of the field Both general and child adolescent

psychiatrists will find this fifth edition essential not only as a guide for preparing for their first successful board examination but also as a review in preparing for important recertification exams **Psychiatry Specialty Board Review** Namir F.
