Radical Forgiveness Colin Tipping, 1997-10 Radical Forgiveness blows a breath of fresh life into a subject that has for too long been treated with undue sentimentality not to mention hypocrisy a good deal of license The author gives us a particular version of forgiveness that is spiritually based though not religious clear cut disciplined practical a process that we can use to bring greater happiness peace joy into our lives Radical Forgiveness Colin C. Tipping, 2002 This is NOT just another book on forgiveness this one provides the necessary tools to help you forgive profoundly more or less instantaneously and with ease First published in 1997 this 2nd Edition builds on the success of the first edition which has changed hundreds if not thousands of lives The book will more than likely change your life It will transform how you view your past and what is occurring for you in the present especially where relationships are concerned Unlike other forms of forgiveness radical forgiveness is easily achieved and virtually immediate enabling you to let go of being a victim open your heart and raise your vibration The simple easy to use tools provided help you let go of the emotional baggage of the past and to feel the joy of living in total surrender to the process of life as it unfolds however it unfolds The result is vastly increased happiness personal power and freedom *Radical Self-Forgiveness* Colin Tipping, 2011-01-26 Most of us have plenty of experience with self blame and guilt but we are often at a loss when it comes to forgiving ourselves According to Colin Tipping this is because our idea of forgiveness usually requires a victim and a perpetrator which is impossible when we play both roles at the same time Tipping's Radical Forgiveness process all Stop the Brain Jimmy Smart, 2024-04-16 In Stop the Brain Enjoy Freedom from Intrusive Thoughts author Jim Smart PhD PE investigates questions critical to spiritual wellness what is the

**Open Your Heart to Nature and Beyond** Dr. Linda N. Cameron, 2021-09-09 Open Your Heart to Nature and Beyond maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God's presence Like a computer delete key the activity of forgiveness allows us to let go physically emotionally and mentally until we join Universal Being This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as defined in quantum physics The Zero Energy Field is defined as the activity of subatomic particles such as photons electrons and other quantum particles in space at temperatures of absolute zero Research indicates that humans can affect this field with pray which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons neutrons and protons forming something in the world and in our minds and thereby causing them to disorganize them and return to the Zero Energy Field The human activity of forgiving or letting things thoughts and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field

**Waking the Warrior Goddess**, *Holistic Creation and Focus Zone Chi Gong* Aleksander Kupisz, 2010-12 Your body is like a hard drive Every event that you have ever experienced to which you have not surrendered or made peace with either by gratitude or by forgiveness remains stuck in your body This stagnant energy hinders all attempts at life change as it is not in the mind but in the body and is connected to the subconscious on a deep cellular level This book shows you a surprising easy way to go into the body and allow all stored energy to pass eventually reaching states on non duality forgiveness gratitude and surrender The book is designed as a course which when completed sets in motion our natural ability to surrender and allow responses of attachment and aversion to pass automatically without any effort the Holistic Creation and Focus Zone Chi Gong System is for those more interested in living life to the fullest then for those who want to live their stories

**I Painted the Light** Jeanne Grimes, 2013-05-02 When I was five years old I painted the Light I painted the happy space I went to while being sexually abused by my father When the abuse would start two adorable cherubs would appear and take me by the hands Off we would go into the Light We would fly about and tumble laugh and be filled with joy It was a glorious fun and safe place to be The Light saved me So when I was

given the chance to create my first ever painting in kindergarten I naturally wanted to paint this beautiful glowing space I painted the Light I covered every square inch of my flip chart paper with bright yellow paint I was so happy to recreate this space and share it with my dad But my joy was short lived once I actually unrolled my painting at home and explained my bright yellow space to my father His violent reaction became one more incident that further buried the memories of the abuse I tell my story here to help those of you who have also been sexually abused I went beyond the counseling and cognitive therapies and found other spiritual and experiential techniques that brought me to a place of peace and wholeness These practices helped heal my mind my body and my spirit I offer my experiences here so that you may apply them to your own healing journey My goal is to help you see the Light within you to find the peace within you as I have finally found in me May Divine Love be with us on our journey
