volume work of theological exegesis that will span select passages from the whole of the Christian Bible The aim is to read Scripture according to its theological shape as a witness to the living claim of God upon church and world made known in Jesus Christ The theological frame of the Pentateuch is grounded in the freely given promise of God which gathers not only the people of God but humanity and the whole creation into the one purpose of God's redemptive love Indeed we live by that selfsame promise today and must struggle to understand and act in our world in light of it The book and the series are intended for teachers pastors students and readers attentive to the theological and spiritual dimensions of the biblical witness in all its brilliance and mystery

**Ordinary** Michael Horton, 2014-10-07 Radical Crazy Transformative and restless Every word we read these days seems to suggest there's a next best thing if only we would change our comfortable compromising lives In fact the greatest fear most Christians have is boredom the sense that they are missing out on the radical life Jesus promised One thing is certain No one wants to be ordinary Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences constantly seeking after the next big breakthrough have left many Christians disillusioned and disappointed There's nothing wrong with an energetic faith the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations What's needed is not another program or a fresh approach to spiritual growth it's a renewed appreciation for the commonplace Far from a call to low expectations and passivity Horton invites readers to recover their sense of joy in the ordinary He provides a guide to a sustainable discipleship that happens over the long haul not a quick fix that leaves readers empty with unfulfilled promises Convicting and ultimately empowering Ordinary is not a call to do less it's an invitation to experience the elusive joy of the ordinary Christian life

**Extraordinary Groups** William W. Zellner, William M. Kephart, 2000-09-15 Text covering different groups in today's society like Jehovah's Witnesses Amish Gypsies Mormons etc New chapter on Unitarian Universalists

**Paul's Necessary Sin** Timothy Ashworth, 2016-12-05 How can we know today what was happening in the minds and hearts of Paul and the first Christians so long ago By getting below the surface of Paul's theology the consistent key elements of early Christian experience are revealed in a way that throws light on the meaning of powerful religious experiences and movements both in the past and today Illuminating for those who have never read a word on Paul yet disturbing and provocative for biblical scholars this book tackles the topic of the religious experience of Paul and the first Christians Lacking authentic knowledge of Paul's liberating experience generations of translators and interpreters have inevitably and sometimes clumsily obscured Paul's meaning In this book the scholarly accusation that Paul is incoherent is turned upside down to show how uncritically accepted ways of translating Paul mislead today's reader and introduce a mystifying complexity into scholarship on Paul Taking the reader step by step through a painstaking restoration of the meaning of Paul's text the colour and form of Paul's original vision are revealed
