*Alfa Romeo 1300 and Other Miracles* Fabio Bartolomei, 2012-10-30 A raucous debut novel of organized and unorganized crime A story that takes itself unseriously enough to be funny The Daily Beast This Week's Hot Reads Diego is a forty something car salesman with a talent for telling half truths Fausto sells watches over the phone Claudio manages barely his family owned neighborhood supermarket The characteristic common to each of these three men is their abject mediocrity Yet mediocrity being the mother of outrageous invention they embark on a project that would be too ambitious in scope for any single one of them let alone all three together They decide to flee the city and to open a rustic holiday farmhouse in the Italian countryside outside Naples Their misconceived endeavor would have been challenging enough for these three unlikely entrepreneurs but when a local mobster arrives and demands they pay him protection money things go from bad to worse Now their ordinary if wrongheaded attempt to run a small business in an area that organized crime syndicates consider their own becomes a quixotic act of defiance A miraculous Italian comedy that will have readers laughing out loud Alfa Romeo 1300 and Other Miracles marks Fabio Bartolomei's vivid debut An entertaining and humorous debut La Repubblica A melancholy yet hopeful fable told with a smile Internazionale Left the kind of smile on my face that doesn't go unnoticed and which people often mistake for a kind of facial paralysis Valentina Aversano Setteperuno The National Magazine, 1924
