

Judy/Instructo Puzzles: Preparing Children for Life

Play

is an important part of every child's intellectual, physical, and social development. And Judy/Instructo puzzles are designed to make playtime a fun opportunity to develop some of the important skills children will use all their lives.

Here are some of the reasons our puzzles have been a perennial favorite with educators, parents, and children for more than 60 years:

They're multi-sensory.

Using eyes and hands at the same time builds vocabulary by reinforcing the link between a word and a particular object.

They develop fine motor skills.

Puzzles give children the practice at hand-eye coordination that is essential for good handwriting.

They teach important concepts.

Puzzles can help children learn shapes, colors, and patterns. They help children understand spatial relationships and develop critical thinking skills.

They foster problem-solving skills.

A child solving a puzzle predicts, explores, and experiments, trying out different solutions and learning from experience.

More Than 60 Years of Quality Puzzles!

• Since 1937, when Hy Berman created his first wood puzzles for his daughter, Judy, quality materials and quality workmanship have been traditions at Judy/Instructo.

• A Perennial Favorite: Educators, parents, and children have made Judy/Instructo their first choice for educational wood puzzles.

• One of a kind! This Judy/Instructo puzzle was individually handcrafted in America. No two puzzles are exactly alike!

• Built to last! This hardwood puzzle was sanded and sealed with two coats of non-toxic finish.

Tips for Parents and Teachers

- Encourage the child to solve the puzzle independently.
- Observe and guide the child with open-ended questions.
- Help the child strategize ways to figure out the puzzle.
- Give the child plenty of time to experiment and discover solutions.
- Encourage the child to test other ideas if the first one doesn't work.
- Recognize and praise even modest attempts at solving the puzzle.
- Communicate that although the puzzle may sometimes be hard, the important thing is to keep trying.
