Confessions to My Mother Cathy Guisewite, 2013-02-05 For years Cathy and her mother have been working out their relationship on the comic pages in such an honest relatable humor filled way that thousands of mothers and daughters have written to say the comic strip is the single thing that has helped them keep speaking to each other over the years In *Confessions to My Mother* Cathy helps daughters speak to their mothers in an even more poignant way with page after page of everything from embarrassing truths The last time you came to visit I spent a whole day hiding things before you got here to belated admissions I m sorry for the 10 to 15 years I spent grunting at you to personal revelations The inside of my bathroom cabinet looks exactly as bad as the inside of your bathroom cabinet and heartfelt sentiments When I make your chicken soup it doesn t taste like your chicken soup The thing I am the most sure of in my life is that you love me Because of you I can t throw out a cardboard box According to creator Cathy Guisewite *Confessions to My Mother* is all the deep insightful meaningful things I want to say to Mom but never actually say because I m too busy acting like a five year old when I m with her

American cartoonists and their work Author John Lent has used all manner of methods to gather the citations searching library and online databases contacting scholars and other professionals attending conferences and festivals and scanning hundreds of periodicals He has gone to great length to categorize the citations in an easy to use scholarly fashion and in the process has helped to establish the field of comic art as an important part of social science and humanities research The ten volumes in this series covering all regions of the world constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation comics and cartooning They are the definitive works on comic art research and are exhaustive in their inclusiveness covering all types of publications academic trade popular fan etc from all over the world Also included in these books are citations to systematically researched academic exercises as well as more ephemeral sources such as fanzines press articles and fugitive materials conference papers unpublished documents etc attesting to Lent s belief that all pieces of information are vital in a new field of study such as comic art **Comics Studies**

Here and Now Frederick Luis Aldama,2018-05-15 Comics Studies Here and Now marks the arrival of comics studies scholarship that no longer feels the need to justify itself within or against other fields of study The essays herein move us forward some in their re diggings into comics history and others by analyzing comics and all its transmedial and fan fictional offshoots on its own terms Comics Studies stakes the flag of our arrival the arrival of comics studies as a full fledged discipline that today and tomorrow excavates examines discusses and analyzes all aspects that make up the resplendent planetary republic of comics This collection of scholarly essays is a testament to the fact that comic book studies have come into their own as an academic discipline simply and powerfully moving comic studies forward with their critical excavations and theoretical formulas based on the common sense understanding that comics add to the world as unique transformative cultural phenomena Not in His Image (15th Anniversary Edition) John Lamb Lash,2021-09-22 Lash is capable of
