The Soul's Long Journey Edward Reaugh Smith,2003-11 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore **Reincarnation (A Study In Human Evolution)** Theophile Pascal,2012 It is more than 1500 years since the decision of the Council of 543 a d condemned to oblivion sublime teachings which ought to have been carefully preserved and handed down to future generations as a beacon amid social reefs teachings that would have uprooted that frightful egoism which threatens to annihilate the world and instilled patience into the hearts of such as were being crushed beneath the wheel of the cosmic law by showing them the scales of Justice inclining to the side filled with their iniquities of bygone times teachings which would

have been welcomed by the masses and the understanding of which would not have called for any lofty intellectual culture The key to the secret lies in Evolution which can be accomplished only by means of the continual return of souls to earth The subject will be divided into four chapters 1 The Soul and the bodies 2 Reincarnation and the moral law 3 Reincarnation and science 4 Reincarnation and the religious and philosophical consensus of the ages *Reincarnation* Edward Dwight Walker,1923
