Researching The Family A Guide To Survey And Statistics:

Researching the Family Nicholas Zill, Margaret Daly, 1993 This guide to family data is intended as a tool to the rich resources of existing databases The guide catalogs the data resources lists articles that have made use of major data sets and gives names addresses and phone numbers of knowledgeable persons who can provide additional information on each database *Resources in Education* ,2001-10 *Family Economics Review* ,1994 *Handbook of Measurement Issues in Family Research* Sandra L. Hofferth, Lynne M. Casper, 2013-04-15 Dramatic societal changes have reshaped America's families Young adults have delayed marriage and cohabitation before marriage has become commonplace One in three women giving birth is unmarried and the proportion of children under 18 living in single parent families rose from 23 to 31 percent between 1980 and 2000 reflecting increased rates of both nonmarital childbearing and divorce This authoritative volume offers a blueprint for addressing some of the most important measurement issues in family research and it points out potential pitfalls for researchers and students who may not be familiar with data quality issues The Handbook of Measurement Issues in Family Research will appeal to scholars in the departments of psychology sociology and population studies as well as researchers working in governmental agencies **Intimate Partner Violence: Oxford Bibliographies**
