Carol Kammen

Researching Writing And Publishing Local History:

Researching, Writing, and Publishing Local History Thomas Edward Felt, 1976 The book provides practical guidelines for the layman who is interested in researching writing and publishing local history Two standards considered to be essential to the writing of local history are ethics and competence The three aspects of competence which are discussed focus on researching writing and publishing Chapter I identifies three questions to help the researcher keep the topic narrow specific and simple 1 how does one choose between conflicting statements in different sources 2 how does one prove that something happened according to the best evidence And 3 how does an author deal with motivation A variety of information sources are identified including libraries pictures maps physical remains and records of churches governments and organizations Chapter ii contains suggestions for the writing of history including use of quotations books periodicals documentation footnotes references abbreviations editing and translations Draft writing re writing and editing for publication are discussed Chapter iii focuses on private publication possibilities Topics include design considerations display types typeface paper illustrations choosing a printer refining specifications composition proofreading promoting and marketing the book and pricing A bibliography is included Db

On Doing Local History Carol Kammen, 2003 Completely revised and updated edition of the guide for local historians

Writing Local History Today Thomas A. Mason, J. Kent Calder, 2024-06-02 Writing Local History Today guides local historians through the process of researching writing and publishing their work Thomas A Mason and J Kent Calder present step by step advice to guide aspiring authors to a successful publication and focus not only on how to write well but also how to market and sell their work Highlights include Discussion of how to identify an audience for your writing project Tips for effective research and planning Sample documents such as contracts and requests for proposals Tips and guidance for working with publishers Discussion of how to use social media to leverage your publication Discussion of the benefits and drawbacks to self publishing The second edition updates literature databases and websites in the field This guide is useful for first time authors who need help with this sometimes daunting process or for previously published historians who need a quick reference or timely tips

Researching, Writing, and Publishing Local History Thomas Edward Felt, 1981

Local History Gavin McLean, 1992 The author is the historian for the Historic Places Trust This guide is designed to point people in the right direction as an introduction to a vast subject It is also intended to provide some guidance to local historians The bulk of the book contains three chapters briefly covering research writing and publishing of local histories Publisher s description

Writing Local History Today Thomas A. Mason, J. Kent Calder, 2024-06-02 Writing Local History Today guides local historians through the process of researching writing and publishing their work Thomas A Mason and J Kent Calder present step by step advice to guide aspiring authors to a successful publication and focus not only on how to write well but also how to market and sell their work Highlights include Discussion of how to identify an audience for your writing project Tips for effective research and planning Sample documents

such as contracts and requests for proposals Tips and guidance for working with publishers Discussion of how to use social media to leverage your publication Discussion of the benefits and drawbacks to self publishing The second edition updates literature databases and websites in the field This guide is useful for first time authors who need help with this sometimes daunting process or for previously published historians who need a quick reference or timely tips **The Princeton Guide to Historical Research** Zachary Schrag, 2021-04-27 The essential handbook for doing historical research in the twenty first century The Princeton Guide to Historical Research provides students scholars and professionals with the skills they need to practice the historian s craft in the digital age while never losing sight of the fundamental values and techniques that have defined historical scholarship for centuries Zachary Schrag begins by explaining how to ask good questions and then guides readers step by step through all phases of historical research from narrowing a topic and locating sources to taking notes crafting a narrative and connecting one s work to existing scholarship He shows how researchers extract knowledge from the widest range of sources such as government documents newspapers unpublished manuscripts images interviews and datasets He demonstrates how to use archives and libraries read sources critically present claims supported by evidence tell compelling stories and much more Featuring a wealth of examples that illustrate the methods used by seasoned experts The Princeton Guide to Historical Research reveals that however varied the subject matter and sources historians share basic tools in the quest to understand people and the choices they made Offers practical step by step guidance on how to do historical research taking readers from initial questions to final publication Connects new digital technologies to the traditional skills of the historian Draws on hundreds of examples from a broad range of historical topics and approaches Shares tips for researchers at every skill level *The Pursuit of Local History* Carol Kammen, American Association for State and Local History, 1996 In this work readers can discover the role local historians play find out what the experts see as the values of the local history while exploring their theories and see how local history has been practised by those who have dedicated their lives to it **A Guide to the Study of Manitoba Local History** Gerald Friesen, Barry Potyondi, 1981-01-01 Local history buffs students teachers and armchair historians will find a wealth of information and practical advice in this guide to the study of local history The authors explore some of the most fruitful areas of research in such themes as the environment population transportation and communication agriculture politics social and family life In five appendices they provide more detailed information for the determined researcher Specific advice is given on compiling a community archive or data base and on publishing a local history An extensive bibliography and a guide to local archives complete the book *Writing local history* John Beckett, 2013-07-19 This fascinating book looks at how local history developed from the antiquarian county studies of the sixteenth century through the growth of professional history in the nineteenth century to the recent past Concentrating on the past sixty years it looks at the opening of archive offices the invigorating influence of family history the impact of adult education and other forms of lifelong learning The author considers the debates generated

by academics including the divergence of views over local and regional issues and the importance of standards set by the Victoria County History VCH Also discussed is the fragmentation of the subject The antiquarian tradition included various subject areas that are now separate disciplines among them industrial archaeology name studies family landscape and urban history This is an authoritative account of how local history has come to be one of the most popular and productive intellectual pastimes in our modern society Written by a practitioner who has spent more than twenty years teaching local history to undergraduates and M A students as well as lecturing to local history societies John Beckett is currently Director of the VCH A remarkable book that will be of great interest to students and scholars of local history as well as amateur and professional genealogists Resources in Education ,1986 *A Reference Guide for English Studies* Michael J. Marcuse,2023-11-15 *Writing Local History* Andrew Robert Case,2016 Local history writing and publishing is a burgeoning industry with tens of thousands of books released nationwide in just the past two decades In general the public prefers interacting with history on a personal level This has traditionally involved genealogy museums and historic sites while classroom learning and nonfiction writing are classified by many as impersonal and less trustworthy However the emergence of accessible local history books has provided a new outlet for directly connecting the public to the history of surrounding communities and cities Amateur historians constitute most local history authors leading some to stigmatize the field as unprofessional for its uncertain historical accuracy and lack of critical interpretation While it is encouraging to see new interest in history and especially in the history of the local environment the fear is that local history writers and publishers are delivering too many superficial products that sacrifice critical assessment for commemorative appeal resulting in a skewed impression of the past Sources of Data In researching the following essay on historical writing several books and scholarly articles were utilized Some sources cover the process of researching and writing local history in particular while others focus on the theoretical and practical ideals that academic historians take into account when writing Several of these sources also examine the publishing industry which along with various publishing websites contribute to the discussion below on local history publishing As for sources concerning the rough draft of my own local history book dozens of scholarly books and articles comprise the secondary research necessary to develop the context and interpretation of the topic Primary sources include early Sacramento criminal mug shot books and various nineteenth century criminal records such as court cases and coroner s inquests housed in the collection of the Center for Sacramento History Early newspaper articles and early Sacramento histories form the remaining primary sources Conclusions Reached This project explores the aspects of historical research and interpretation that all historians professional and amateur should strive to incorporate into their work The challenges of writing local history are addressed in depth as the project follows the process of researching writing and publishing a book on local history Guidelines for Recording Historic Ships Richard Kerfoot Anderson,1988 The Making of Salem Robin DeRosa,2009-10-21 The Salem Witch Trials of 1692 are a case study in hysteria and group

psychology and the cultural effects still linger centuries later This critical study examines original trial transcripts historical accounts fiction and drama film and television shows and tourist sites in contemporary Salem challenging the process of how history is collected and recorded Drawing from literary and historical theory as well as from performance studies the book offers a new definition of history and uses Salem as a tool for rethinking the relationships between the truth and the stories people tell about the past

Settling the Canadian-American West, 1890-1915 John William Bennett, 1995-01-01 This anthropological history tells the story of homesteading and community organization in the Canadian American West through personal reminiscences and locally written histories John W Bennett and Seena B Kohl interpret those stories through the lenses of history and social science and they present a view of settlement experience as one phase of the evolving postfrontier society and culture of western North America *Settling the Canadian American West 1890 1915* contains a synthesis of Canadian and U S settlement experiences giving to the extent possible equal space to both sides of the international boundary The experiences of people in these adjacent territories were virtually identical with emigrant populations from the same countries and socioeconomic strata Among other aspects of the homesteading experience the authors explore the interactive adaptation that developed in the West Networks of mutual aid reverently remembered by the voices found in these pages eased the inevitable hardships

Genealogical & Local History Books in Print , 1985 Previous editions titled *Genealogical books in print*

Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works *Canadian Reference Sources* will be an invaluable reference tool for future scholars and researchers

Social History, Local History, and Historiography Roger C. Richardson, 2011-09-22 This wide ranging volume collects together twelve of the author's longer essays mainly drawn from those first published in the last two decades Chiefly consisting of micro studies of a variety of different aspects of early modern English history the book concerns itself with social and economic change the period of the English Revolution and its long lasting impact with Puritanism with the family as a social institution and with historical consciousness and different

forms of historical writing Some of the essays focus on a particular individual not all well known William Camden John Milner and Ralph Dutton to open up a broader theme One boldly attempts a comparison over three centuries of the evolution of local history as a subject on both sides of the Atlantic Two other essays reach out into the nineteenth and twentieth centuries but do so with echoes of the subject matter of some of those dealing with the early modern period The inter connectedness of social history local history and historiography is stressed and illustrated throughout Both specialists and non specialists will find much to interest them in this varied and rewarding volume

Sources for U.S. History W. B. Stephens, 2003-01-30

This book offers a detailed and comprehensive guide to contemporary sources for research into the history of individual nineteenth century U S communities large and small The book is arranged topically covering demography ethnicity and race land use and settlement religion education politics and local government industry trade and transportation and poverty health and crime and thus will be of great use to those investigating particular historical themes at national state or regional level As well as examining a wide variety of types of primary sources published and unpublished quantitative and qualitative available for the study of many places the book also provides information on certain specific sources and some individual collections in particular those of the National Archives

Researching Writing And Publishing Local History Introduction

In today's digital age, the availability of Researching Writing And Publishing Local History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Researching Writing And Publishing Local History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Researching Writing And Publishing Local History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Researching Writing And Publishing Local History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Researching Writing And Publishing Local History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Researching Writing And Publishing Local History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Researching Writing And Publishing Local History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Researching Writing And Publishing Local History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Researching Writing And Publishing Local History books and manuals for download and embark on your journey of knowledge?

FAQs About Researching Writing And Publishing Local History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Researching Writing And Publishing Local History is one of the best book in our library for free trial. We provide copy of Researching Writing And Publishing Local History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Researching Writing And Publishing Local History. Where to download Researching Writing And Publishing Local History online for free? Are you looking for Researching Writing And Publishing Local History PDF? This is definitely going to save you time and cash in something you should think about.
