Resilient Marriages From Alcoholism And Adversity To Relationship Growth

Christian Heim, Caroline Heim

Resilient Marriages From Alcoholism And Adversity To Relationship Growth:

Resilient Marriages Karen J. Shirley, 2000 Resilience has come to rival insight as a fundamental therapeutic goal in bettering the lives of individuals in distress And it is increasingly an important topic in fields as diverse as education sociology and family studies Yet despite all the recent interest up to now few in depth studies have appeared This book is a moving ethnography of five couples whose marriages survived over many years and ultimately transcended a partner s alcoholism The couple s stories are poignant full of wisdom and carrying important lessons The author s insightful analysis sheds light on three recurring themes residual resources moments of choice and building trust This book makes a significant contribution to our understanding of what makes relationships last over a course of many years or a lifetime while serving as an engaging supplementary text for courses in family studies psychology and sociology

Subject Guide to Books in Print ,1997 **American Book Publishing Record** ,2000 **Resilient Relationships** Christian Heim,Caroline Heim,2023-04-14 Christian and Caroline Heim have written a wise and valuable book on how to make marriages last Roy Baumeister President of International Positive Psychology Association Designed to be used as a companion to couple therapy this book is based on a trailblazing study of over 1400 individuals It presents over 75 techniques to help relationships thrive in the long term and provides insights into the challenges faced by contemporary couples Through in depth interviews this book takes pertinent questions from young couples and puts them to couples who have been together for decades The time tested secrets of thriving couples are presented in a new guise for a new generation Capturing the effects of the COVID 19 pandemic the study includes people from 52 countries and is the largest cross sectional multi national study on long term relationships to date It highlights the dynamic and protective factors that lead to relationship longevity as well as societal pressures to guide therapists on how to manage these with their clients The authors uncover how long term relationships promote resilience emotional mental and physical health and protect against loneliness and harmful behaviours Therapists and couples need to know what goes right in long lasting relationships Providing essential data and practical skills for psychologists counsellors and other professionals this book is a must read for anyone working with couples to explore and understand what leads to resilient relationships in a harsh complex world

The British National Bibliography Arthur James Wells,2001 *Resilience and Vulnerability* Suniya S. Luthar,2003-05-05 Integrated in this book are contributions from leading scientists who have each studied children s adjustment across risks common in contemporary society Chapters in the first half of the book focus on risks emanating from the family chapters in the second half focus on risks stemming from the wider community All contributors have explicitly addressed a common set of core themes including the criteria they used to judge resilience within particular risk settings the major factors that predict resilience in these settings the limits to resilience vulnerabilities coexisting with manifest success and directions for interventions In the concluding chapter the editor integrates evidence presented through all preceding chapters to distill a substantive considerations for future research

and b salient directions for interventions and social policies based on accumulated research knowledge

Resilience in Action Michael Ungar, Linda Liebenberg, 2008-01-01 Mental health specialists and researchers contend that the development of resilience in youth is facilitated at several levels Relational cultural individual and governmental factors all have a strong influence over the mental well being of young people Resilience in Action looks at youth interventions with a view to fostering resilience in those living in adverse situations and conditions In order to provide a practical approach to the issue the essays in this volume explore the components of successful interventions encouraging the transmission of effective practices from one community to another across borders It is organized into four sections each dealing with a different aspect of work with at risk youth The first section focuses on individual health and the ways in which intervention and therapy strengthen personal resources The second section explores the dynamics of interventions in relation to specific contexts and localized relationships emphasizing holistic approaches to youth work A review of the cultural relevance of resilience follows in section three and the fourth considers ways of increasing the accessibility to resources that encourage healthy development Featuring contributors from a variety of academic and cultural backgrounds Resilience in Action offers diverse answers to many of the persistent questions mental health professionals ask regarding how to enhance resilience

[Linking Health and Education for African American Students' Success](#) Nadine M. Finigan-Carr, 2017-03-16 The linkages between a student s health and a student s ability to learn have been well established Children who are sick stay home and children at home cannot learn if they are not in school leading to increased dropout rates among other educational outcomes However an understanding of this concept is just the beginning of understanding how education and public health are inextricably linked In light of this Linking Health and Education for African American Students Success examines health disparities and education inequities simultaneously and moves beyond a basic understanding of health and education in K 12 school programs The structural inequalities which lead to reduced academic attainment mirror the social determinants of health Education is one of the most powerful determinants of health and disparities in educational achievement as a result of structural inequalities closely track disparities in health These disparities lead to both sub standard healthcare and reduced academic attainment among children from underserved minorities in the United States especially African Americans This book discusses how this may result in children with poorer mental health outcomes higher school dropout rates increased risks of arrests and incarceration higher rates of chronic diseases and mortality and overall diminished opportunities for success while providing suggestions as to how to address these issues This results in an insightful read for researchers academics and practitioners in the fields of healthcare and education

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004

The Science of Romantic Relationships Theresa DiDonato, Brett Jakubiak, 2023-08-31 Why do people fall in love Does passion fade with time What makes for a happy healthy relationship This introduction to relationship science follows the lifecycle of a relationship from attraction and initiation to the hard work of relationship maintenance to

dissolution and ways to strengthen a relationship Designed for advanced undergraduates studying psychology communication or family studies this textbook presents a fresh diversity infused approach to relationship science It includes real world examples and critical thinking questions callout boxes that challenge students to make connections and researcher interviews that showcase the many career paths of relationship scientists Article Spotlights reveal cutting edge methods while Diversity and Inclusion boxes celebrate the variety found in human love and connection Throughout the book students see the application of theory and come to recognize universal themes in relationships as well as the nuances of many findings Instructors can access lecture slides an instructor manual and test banks

Risk and Resilience Richard Velleman, Jim Orford, 2013-01-11 Risk and Resilience looks at the issue of young adults who grew up in families where a parent and sometimes both had a drinking problem Alcohol related problems are now recognized as being near the very top of the world league table of health and social problems Since the large majority of problem drinkers are adults aged between 22 and 55 many are parents with children or adolescents in their care In the USA alone there are estimated to be over six million children under the age of 18 living with a parent with a drinking problem and over 22 million adults one in every eight American adults who were brought up with a parent who had a drinking problem Clearly many children who grow up in this sort of environment have a difficult childhood Velleman and Orford examine the question of what happens to such children when they grow up Risk and Resilience focuses on three main themes What is the likelihood of such young adults developing drinking problems themselves What

The Resilient Self Steven J. Wolin, M.D., Sybil Wolin, Ph.D., 2010-05-19 An informative and inspiring guide to rebounding from childhood hardships to find uncommon strength and courage The Resilient Self reminds us all of the importance of being aware of and building on the strengths of our young people whatever their early life experiences We must work to give them hope and to craft services and programs that are respectful of the resiliencies so thoughtfully characterized by the Wolins This guide although based on the experiences of adults offers extremely useful insights too for those working on behalf of children and adolescents Marian Wright Edelman president Children's Defense Fund This book offers a strong sense of hope for everyone who has grown up in a troubled family I salute the authors for their masterful synthesis of research clinical experiences and insights gleaned from the voices of poetry The Wolins book cautions the reader that no one emerges from troubled childhood without some scars but it challenges us to find ways in which we can transform pain into joy in our lives Emmy E Werner Ph D author of Vulnerable But Invincible and Overcoming the Odds This marvelous book can turn the tide for people injured during their childhoods not by ignoring the ashes of the past but by winnowing out the precious elements from which the phoenix can triumphantly rise It is a book that has been badly needed and for which many will long be grateful Timmen L Cermak M D former chairman National Association for Children of Alcoholics At last a compassionate and realistic challenge to abandon the idea that one is a passive object of an unhappy childhood The Resilient Self encourages readers to recognize and appreciate their strong insightful and creative

survival Barbara Mathis author of *Between Sisters Secret Rivals Intimate Friends The Resilient Self* shows adult children of dysfunctional families that they can escape a painful past and become resilient survivors It describes the strategies which have been used successfully by those who grew up in troubled homes but who managed to work well play well and love well as adults I recognized myself in this book with a survivor's pride Anonymous survivor Counseling Individuals Through the Lifespan Daniel W. Wong, Kimberly R. Hall, Cheryl A. Justice, Lucy Wong Hernandez, 2015-01-06 Anchored in the CACREP accreditation standards this third book in the Counseling and Professional Identity series provides counselors and human service professionals with a solid foundation to understand lifespan developmental theory and apply these constructs to clients in counselling at various stages Each chapter in the book is divided into a 3 step method starting with a description of the theoretical content followed by clinical illustrations and finishing with a complex case study with the distinctive counselor thinking feature accompanied by guided practice exercises The book will also emphasize self reflection to help students learn experientially as they move through the text **Young Adult Mental Health** Jon E. Grant, Marc N. Potenza, 2010 Book title provides researchers and clinicians with a clear understanding of the developmental clinical and socio cultural features of mental health unique to young adults and how this developmental period influences clinical assessment and treatment Book jacket **The SAGE Encyclopedia of Marriage, Family, and Couples Counseling** Jon Carlson, Shannon B. Dermer, 2016-10-11 The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader's Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey Paths to Successful Development Lea Pulkkinen, Avshalom Caspi, 2002-04-04 The influence of the lifespan approach has been an important feature of recent research in developmental psychology as has a growing interest in the relationship between personality and development This important new book edited by two distinguished psychologists explores the relationship between personality and development from a life course

perspective The book presents current theoretical approaches and new empirical findings from ongoing studies conducted by leading researchers in North America and Europe It is unique in focussing on successful personality development where developmental psychology in the past seems to have focussed almost entirely on problem behaviour and risk of maladaptation The book has a multidisciplinary appeal and will be of interest to students and researchers in the fields of developmental psychology adult development and aging and personality and social psychology Well-being in Asia Martijn Burger, Nicholas Pang, 2025-09-18 Over the past decades the literature on happiness and well being has been booming Whereas the first studies in the field predominantly focused on Western nations nowadays an increasing number of studies address happiness and well being in other countries This Research Topic focuses on the determinants of happiness and well being and their consequences in the Asian context The collection is associated with the The International Society for Quality of Life Studies ISQOLS and will focus on the 2024 conference being held in Malaysia and the central theme of Well Being in Asia The International Society for Quality of Life Studies ISQOLS aims to promote research on quality of life well being and happiness as well as to provide evidence based support for designing and implementing well being policies Annual conferences constitute a central instrument in attaining the Society s goals ISQOLS looks for organizing highly productive but friendly and relaxed conferences that allow for scholars and practitioners to enrich their own research and practices by meeting and exchanging ideas findings and experiences ISQOLS conference participants usually come from all corners of the world and from many disciplines **Handbook of Early Childhood Intervention** Jack P. Shonkoff, Samuel J. Meisels, 2000-05-22 Eighteen new chapters have been added to the 2000 edition of this valuable Handbook which serves as a core text for students and experienced professionals who are interested in the health and well being of young children It serves as a comprehensive reference for graduate students advanced trainees service providers and policy makers in such diverse fields as child care early childhood education child health and early intervention programs for children with developmental disabilities and children in high risk environments This book will be of interest to a broad range of disciplines including psychology child development early childhood education social work pediatrics nursing child psychiatry physical and occupational therapy speech and language pathology and social policy A scholarly overview of the underlying knowledge base and practice of early childhood intervention it is unique in its balance between breadth and depth and its integration of the multiple dimensions of the field **Cumulated Index Medicus** , 1989 *Strengthening Family Resilience, Second Edition* Froma Walsh, 2011-09-16 This informative clinical resource and text presents Froma Walsh s family resilience framework for intervention and prevention with clients dealing with adversity Drawing on extensive research and clinical experience the author describes key processes in resilience for practitioners to target and facilitate Useful guidelines and case illustrations address a wide range of challenges sudden crisis trauma and loss disruptive transitions such as job loss divorce and migration persistent multistress conditions of serious illness or poverty and barriers to success for at risk youth

New to this edition reflects research and practice advances chapter on resilience oriented approaches to recovery from major disasters chapter on applications in community based programs and international contexts
