

Christ said, "Resist not evil", and we do not understand it until we discover that it is not only moral but actually the best policy, for anger is loss of energy to the man who displays it. You should not allow your minds to come into those brain-combinations of anger and hatred.

each of his subject thus providing valuable continuity and evaluation Such a book as this deserves a place in all libraries public and private so that it will be possible to quote these men from knowledge rather than hearsay many times removed from the original The point is not to win friends for religion or enemies but to provoke greater thoughtfulness Here are texts that deserve to be pondered and discussed Some of them I have criticized in other volumes in such cases the references are given But in the present book nothing is included merely to be disparaged nor is anything offered only to be praised The hope is that those who read this book will gain a deeper understanding of religion Walter Kaufmann Preface *Theosophy*, 1912
