

A conceptual image showing a puzzle. A large, vibrant red puzzle piece is in the foreground, tilted slightly to the right. It has the word "RESOLVED" written on it in bold, white, sans-serif capital letters. Behind it, a dark blue puzzle piece is visible, with the word "CONFLICT" written on it in bold, white, sans-serif capital letters. The background is composed of many other puzzle pieces in various shades of blue and grey, creating a sense of depth and complexity. The overall composition suggests that resolving conflict is a key part of a larger process or system.

Guidelines for Understanding, Adjudicating, and Resolving Disputes in Elections Chad Vickery, 2011

Resolving Election Related Conflicts in Africa. Role and Challenges of the National Peace Council of Ghana Caesar Nibelli, 2020-02-21

Master s Thesis from the year 2017 in the subject Politics Topic Peace and Conflict Security grade 3 00 course Msc Defence and International Politics language English abstract This study examines the causes of electoral conflicts in Ghana and Africa and the role and challenges of the National Peace Council in resolving election related conflicts In many African countries both the economic and political authorities are confiscated and held in the hands of some corrupt leaders who through the use of force control the destiny of their countries Since the adoption of multiparty systems in some African countries most elections have been tarnished by violence and by political antagonists who continue to question not only the fairness and the transparency of elections but also the validity of the electoral systems of their countries Ghana s elections for some time now have become violent resulting in disputes A typical case of this situation was the 2012 elections which ended up in the Supreme Court as a dispute In all of these conflicts the role of the National Peace Council cannot be over emphasized The Council played an important role before during and after elections This contributed in the peace that the Ghana experienced during and after elections In the light of the key role of the Council played in ensuring peace before during and after

elections there are a number of challenges that confronted the Council This study examines the specific role played by the National Peace Council NPC in ensuring peace in elections The study discussed the challenges that affected the work of the Council such as limited funding to initiate activities and inadequate staff to help carry out its functions The methodology adopted in this study is the qualitative case study approach which enabled the study to analyze the findings by relying mostly on secondary data to make its findings Literatures from secondary data were reviewed to answer research questions The findings of this study confirm that the role played by the National Peace Council NPC yielded positive results in ensuring the peace of the country throughout the electoral period which other Africa countries can emulate to prevent election related conflicts PMP Project Management Professional Exam Study Guide Kim Heldman, Claudia M.
