Catskill Mountains Summer Resorts ... , 1902 *Summer Resorts Along the West Shore of Hudson River and in the Catskill Mountains* New York, West Shore and Buffalo Railway Company, 1884 **Catskill Mountains Summer Resorts** , 2017-12-04 Excerpt from Catskill Mountains Summer Resorts Containing Selected List of Hotels Boarding Houses and Farm Houses Where Summer Guests Are Entertained Then the sixty nine years being passed we have to notice an important matter in fact nothing less than the formation of a syndicate by certain Dutch and English gentlemen Their design was to buy outright the Catskill region There was without doubt much negotiation and finally the poor redskins for paltry price principally eye tickling trinkets and the like of wonderful seeming value to our now extinct friends but as a matter of fact of no intrinsic worth whatever consented to sell their moun tain domain and the deed was finally and for mally done on July 8th 1678 at the Stadt Huis at Albany Mohak neminaw and six of his chiefs signed the contract and one can readily fancy that much tobacco and fire water marked the business And after that slowly year by year the Indians retired farther and farther into the interior Adirondacks and the like to make way for the Dutch settlers So we see a vast wilderness the heart of it once known only to hunting and warring Indians gradually settled by thrifty Dutch and in the favorable parts made to grow various farmstuffs and fruitstuffs Long after the mountains in parts were blasted for the beautiful granite that was in them and which in our day has found lodgment in many classic buildings in New York and other cities Such is the emergence of the Catskills first the home of the Onteoras Onteora meaning Hill of the Sky how beautiful much more so in fact than the name Catskill then espied by Hudson in 1609 next purchased by a syndicate of Dutch and English in 1678 From that year and say for 150 years thereafter we have the unruffled Dutch and later the more active and polished Colonial life with farming with expanding thriving villages and bits of towns coming into being here and there at certain natural gather ing points It is also certain that year after year and always in increasing numbers many a bold spirit penetrated into these wild moun tains for rough sport for the hunt and in quest of the finny tribe Thus these Cauterskill Moun tains slowly came to fame as a region rich and rare for fishing and hunting and for dreaming away the summer days And finally about fifty years ago this fame

blossomed into world wide repute and the Catskills stepped into line as a peerless summer resort known to all men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Catskill Culture* Phil Brown,1998 *Catskill Resorts* Ross Padluck,2013 Once the most famed resort destination of the world the Catskills New York s bygone Borscht Belt district helped shape American culture and history Through 363 images take a trip back in time to relive the stories behind the theaters and nightclubs the lavish lobbies where bellhops welcomed celebrities and the vacuous dining rooms that served thousands of rich kosher meals each day

Catskill Mountain Resorts Ulster & Delaware Rail Road,1907-02-01 Starting in 1894 the Passenger Department of the Ulster their structure history and development as a Summer Resort the sanitary advantages of summer life in the dry air of high mountain regions the absolute need of rest and vacation for the busy workers in the city and town the scenic beauties and wildwood charms so lavishly spread for the delectation of every visitor It also contains much general information regarding the leading points of interest throughout the range what and where they are how to reach them and what to look for In fact it is an accurate guide book to the regions reached by this mountain railway system This issue of the guide was published for the summer season of 1907 at the height of resorts in the Catskill Mountains The book starts with a description of the benefits of summering in the Catskills including the beauty temperate climate and sanitary advantages of the region It then goes on to describe the Ulster and Delaware system in that year The major portion of the book is a travelogue of the resorts and spas along the Ulster and Delaware route from Kingston to Big Indian north to Grand Gorge and then west to Oneonta It also has coverage of the branch lines serving the Greene County area and offers two pages devoted to the environment and accommodations at each stop along the line At the end of the volume the railroad presents a large photo gallery of the major inns resorts and hotels and a complete list of Catskill Mountain resorts that are served by the railroad

The Catskills in Vintage Postcards Irwin Richman,1999 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication Many of the postcards produced during this golden age and even some from later years can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores and five and dimes across the country survive as telling reminders of an important era in America s history This fascinating new history of the Catskills of New York showcases more than two hundred of the best most evocative vintage postcards available *Vaudeville old & new*

Frank Cullen, Florence Hackman, Donald McNeilly, 2007 In the Catskills Phil Brown, 2004-04-21 A nostalgic pastiche of fiction memoir photography art postcards menus etc celebrating Jewish resort life in the Catskills Providence Journal With selections ranging from literature to song lyrics this book highlights the Catskills experience over a century and assesses its continuing impact on American music comedy food culture and religion It features selections from such fiction writers as Isaac Bashevis Singer Herman Wouk Allegra Goodman and Vivian Gornick and original contributions from historians sociologists and scholars of American and Jewish culture that trace the history of the region the rise of hotels and bungalow colonies the wonderful flavors of food and entertainment and distinctive forms of Jewish religion found in the Mountains What was life the work the play the food the romance like at Catskills Mountains resorts These very personal recollections capture the special sense of community and freedom that developed among Jewish families leaving the city behind for a summer vacation and enjoying a cultural space of their own From Bingo by the Bungalow by Thane Rosenbaum to Young Workers in the Hotels by Phil Brown to Shoot the Shtrudel to Me Yudel by Henry Foner this charming anthology captures an era that has had enormous impact on the Jewish experience and American culture as a whole A warm charming and valuable work Much of the writing is simply gorgeous Contemporary Sociology Catskill Mountain Resorts N. AUTHOR, 2018 **Making Mountains** David Stradling, 2009-11-23 For over two hundred years the Catskill Mountains have been repeatedly and dramatically transformed by New York City In Making Mountains David Stradling

shows the transformation of the Catskills landscape as a collaborative process one in which local and urban hands capital and ideas have come together to reshape the mountains and the communities therein This collaboration has had environmental economic and cultural consequences Early on the Catskills were an important source of natural resources Later when New York City needed to expand its water supply engineers helped direct the city toward the Catskills claiming that the mountains offered the purest and most cost effective waters By the 1960s New York had created the great reservoir and aqueduct system in the mountains that now supplies the city with 90 percent of its water The Catskills also served as a critical space in which the nation s ideas about nature evolved Stradling describes the great influence writers and artists had upon urban residents especially the painters of the Hudson River School whose ideal landscapes created expectations about how rural America should appear By the mid 1800s urban residents had turned the Catskills into an important vacation ground and by the late 1800s the Catskills had become one of the premiere resort regions in the nation In the mid twentieth century the older Catskill resort region was in steep decline but the Jewish Borscht Belt in the southern Catskills was thriving The automobile revitalized mountain tourism and residence and increased the threat of suburbanization of the historic landscape Throughout each of these significant incarnations urban and rural residents worked in a rough collaboration though not without conflict to reshape the mountains and American ideas about rural landscapes and nature *Picturesque Catskill Mountain Summer Resorts; Select List of Hotels and Boarding Houses ..* William J Jr] [Fitchett, 1868-,New York Pub United States Resort Co,2018-10-31 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Resort and Travel Directory* ,1911 **Hudson Valley Ruins** Thomas E.
